

BECKY WOODS YEARBOOK

BECKY

there! Now this page looks fulfilled and not so lonely! Extract Barry from Band, and it would've been semi-descent. But well I guess we have to put up with him. You did a good job on your drum-major try-out. I'm sorry the results didn't turn out better. Stay cool this summer.

Sarah

Becky,

It was a real "scream" in orchestra. I think if you weren't in there with me I would have gone out of my mind! You're very fun! I think we were pretty great in that class! Boy, are strings boring!

Have a great summer!
See you next year!

Meinda

Becky,
I've been a
really great
not you and the
GOONS, well, have a
great summer, and I'll see
you next year
Mark
Smith

P.S. I still think you should have
been Drum Major.

Dear Becky,

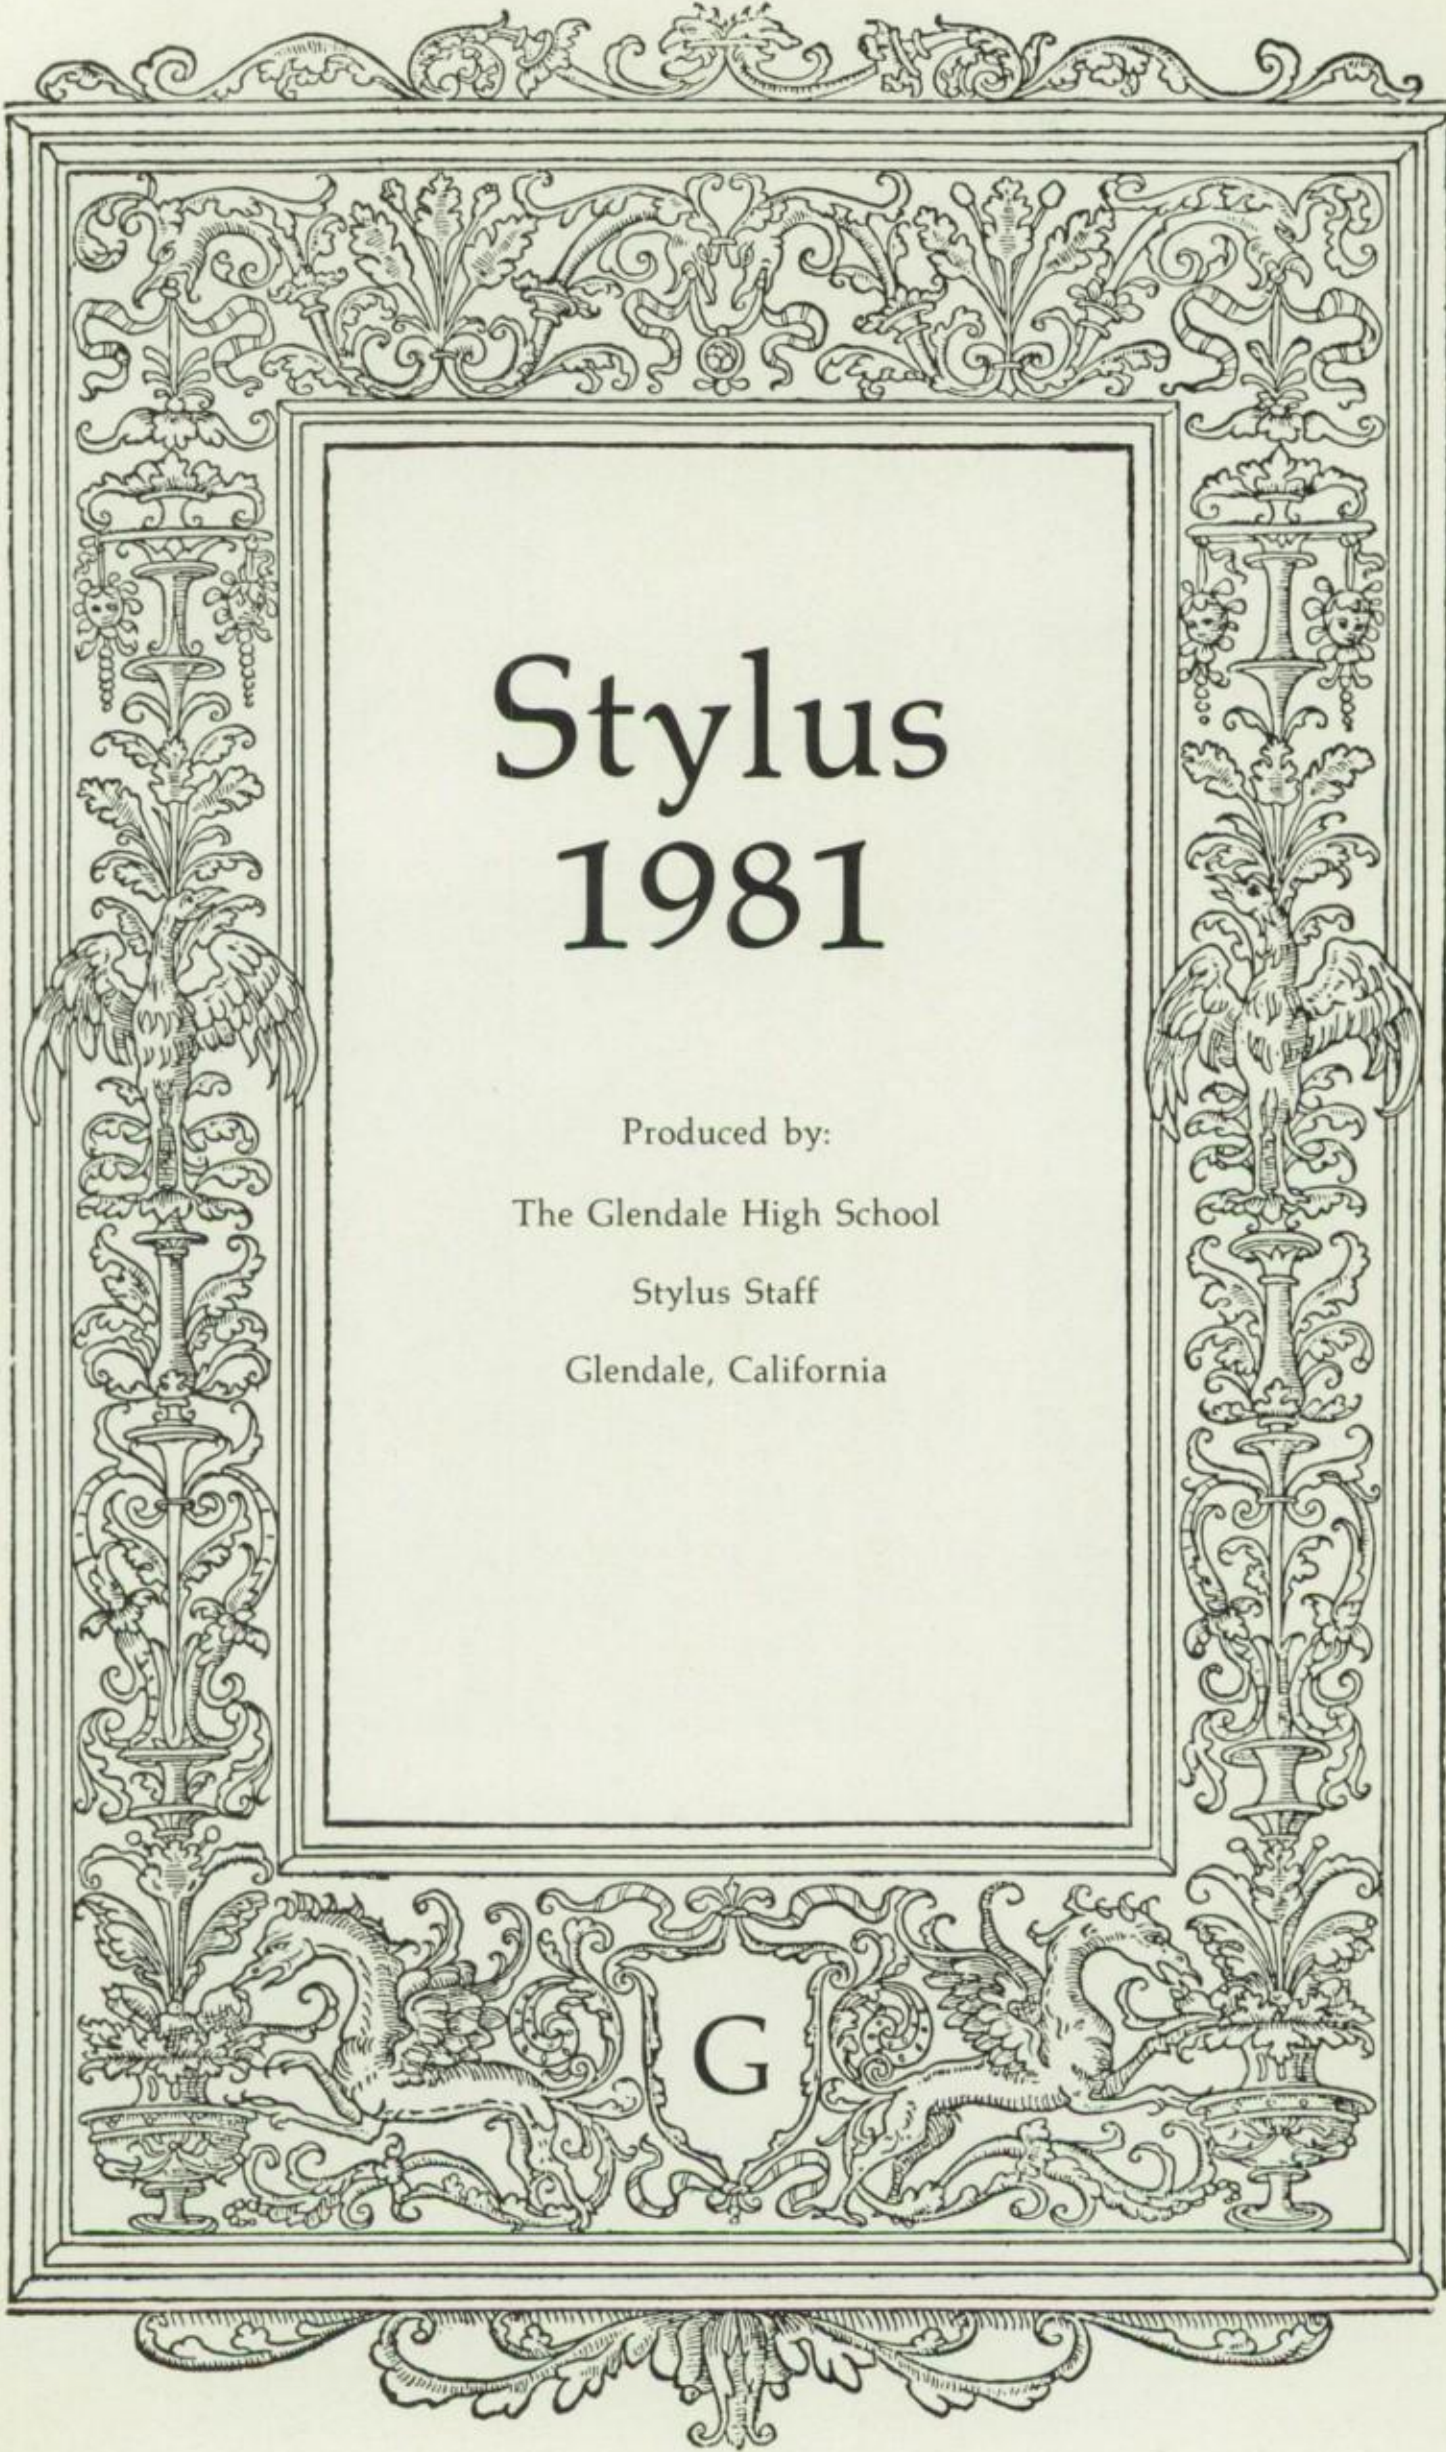

Wow! there is so much to
say about all the good times
we had. If I started mentioning
them the list would never end.
I'm glad we became such good
friends this year, I really enjoyed
your company. Take care and keep
in touch! Maybe we could be
crazy and ~~genny~~ genny over the summer!

Love,
Donna Aleman

Becky
need less you
are really wild
and crazy. Your
a super clownet player.
Have a super summer
and I see you next
year Gary Johnson

P.S Congratulations on
your nomination to the
McDonalds band. Hope
you win!!!

Becky,
I've been a
really great
not you and the
GOONS, well, have a
great summer, and I'll see
you next year

ACTIVITIES

Contest winners-Hula Hoop, Look Alikes, and Best Dressed.

Would you take your food from *these* guys???

Mother/Daughter Dessert

"A Day at the Fair with Ma" was the theme for this year's fourth annual Mother-/Daughter Dessert, sponsored by the Girl's League. On January 22, the girls and their mothers got the chance to spend an evening of fun and games together. The cafeteria looked like a country fairground where a variety of events took place. Among the contests held were the look-alike, best dressed, and the Hula Hoop competitions. Also, pie and cake judgments were held. The evening was a huge success and all that attended had a great time. The entire Girl's League worked hard and deserves a big congratulations!

The judges, headed by Andy Eddy, picked the winners of the baking contest.

A Day At The Fair

Unusual Talent Surfaces . . .

This jazz dancer shows her style.

Another one just bit the dust.

Kim, who really *is* on first?

Al sings the blues.

Walking through the park one day . . .

Once again, this year's Talent Show proved that the students at Glendale High have more (or less) talent than is apparent during the regular school hours. In the past, the programs have been judged and a winner was chosen. This year, however, the show was basically for entertainment. The acts that entered ranged from musical acts to comedy acts. Some of the solo performers included Al Savay and Duane Garcia who strummed out the tunes of Neil Young and Yes, respectively. Maureen B. and Kim D. argued about who was on first while the unique combination of a tuba, saxophone, and drum came alive with "Another one Bites the Dust." Eleven acts in all were enjoyed by all.

Halloween Hop

The first dance of the school year, the Halloween Hop, was sponsored by the Drill Team. The highly successful dance brought out all of the ghosts, goblins, cowboys, punk rockers, and creatures of every kind from Glendale High. The girls asked their favorite guys to spend an exciting and spooky evening in the cafeteria. The dance floor was packed with the unusually costumed students who rocked and rolled to the waves made by the excellent band, "Ocean". The creative transformation of the cafeteria, done by the Drill Team, was intensified by the band's music, both which created a mysterious atmosphere. Later in the evening, the Count Court was announced and the Count was capped. The court included Tom Dudley, Andy Eddy, Randy Gonzalez, Greg Zarian, Matt Howard, Brent Bickett, and the Count, Kevin Kiesau. All in all, the entire evening was definitely a success and was enjoyed by everyone, thanks to the Drill Team.

The alumni of Glendale High?

U.S. EMBASSY

The pumpkinhead debates.

Who's next?

If the students could be anything they wanted...

The judges consider the entries.

As the Halloween spirit rolled around, the traditional events took place on October 30 and 31. The first of these events was the Perk-up- a-Pumpkin contest. Each second period class designed a pumpkin they thought would be creative enough to win. Indeed, each entry was creative. The perked-up pumpkins included skiers, Raggedy Ann and Andy, and even Mt. St. Helen's, complete with smoke. Others illustrated such major issues as the presidential debates and the capture of the U.S. Embassy. The second contest that took place on Halloween was the Dress-Up Day contest. The unusual and mostly bizarre costumes seemed to reflect the inner personalities of the students. Some came dressed as new wave rockers, coneheads, baseball players, and even Darth Vader.

Harewho?

Juniors Break Curfew

Better cover that one up!

The eleventh grade's big night out, the Junior Prom, took place on December 6, 1980, in the gym. The otherwise sports-oriented gym was transformed into a romantic setting perfectly representing the night's theme, "Even in the Quietest Moments." Couples found fun and romance as they danced the entire evening away. Everyone responded with excitement to the very talented band, "Front Seat." As the night sped by, the suspense mounted as to who would be crowned queen of the Junior class. Junior class president, Joey McClure, finally announced Mary Owen as queen. Mary reigned over the remainder of the evening along with her court of which included Julie Gangi, Kim Deissenberger, Lori McSweeney, Brenda Kaiser, and Kim Greenburg. Remo Iezza got camera happy too.

Even In The Quietest Moments

This is a good place for a stick-up!

The "Zombie"-a new dance?

But Cecilia, where's Linus??

Alumni Basketball

Mike's been working overtime, so has his Old Spice.

This years Alumni Basketball game between the 1980, Varsity Basketball Team and the various alumni graduates from G.H.S.'s past, turned out to be a good one. The game took place in the school gym, where the fans were amazed by the many talents of the Alumni All-Stars. By the time the first half was over, the Alumni were ahead by a respectable four points. This is when the ALUMNI started to slow down the pace and the Varsity team took advantage of it. Leading the game by a near two points, the Varsity team took their grounds to start the fourth quarter. Through a long fourth quarter, the game finally ended with the All-Stars on top, 65-61. After game interviews were not allowed, due to the fact that the Varsity team lost the game. Chris Jensen an Alumni returner for three years, was interviewed after the game stating that this was the toughest game he has played in three years; He also feels that this years team will go far. Playing for the Alumni were: Alen Cauble, Wayne Crownover, Chris Jensen, Bill Kriste, Craig Knudsem, Scott Knudsen, Dave Miller, Craig Rethmeyer, Steve Snodgress, Ted Tiffany and Jay Thomas.

Hey, don't stare at the camera!

Get the ball Alen.

And the band plays on.

Oratorical Week . . .

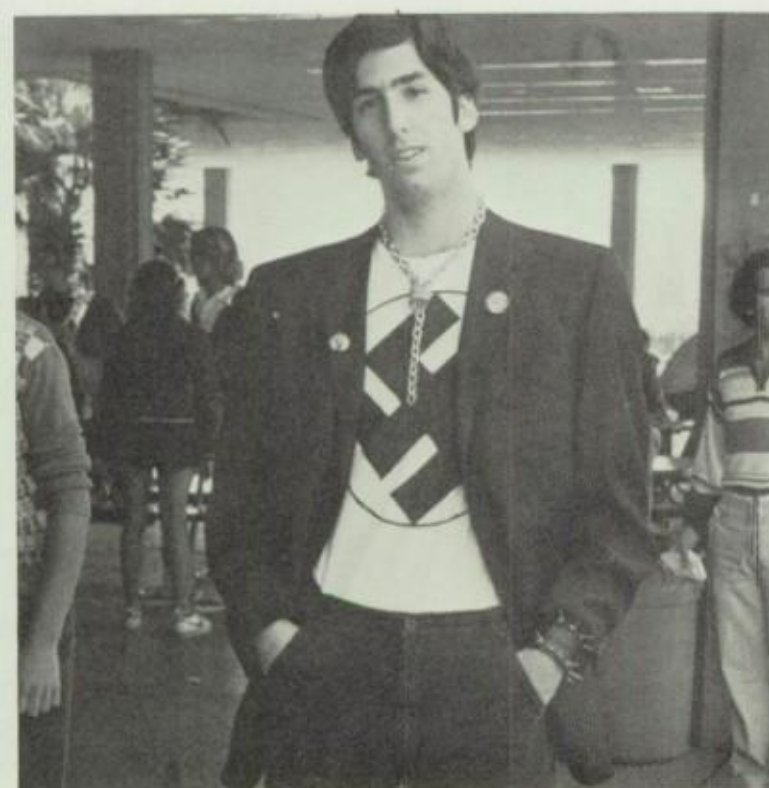

Which way to Disneyland?

The tour starts in 10 minutes!

As the excitement of Oratorical mounted, the students found ways throughout the big week to let the tension ease a bit. Monday through Thursday brought different dress-up days for everyone to participate in. Monday brought bizarre hat with Hat Day, Tuesday encouraged the punk-at-heart on Punk Day, Wednesday saw movie star seekers with suntan lotion on Tourist Day, and Thursday brought out the young children of Glendale High with Kiddie Day. Several activities took place ranging from Punk dancing to baby bottle drinking races.

You got something to say about punk!?

SLURRRRPPPP!!!

Sue acts her age!

Oratorical Brings Out Joy And Sadness

The 72nd Oratorical. For most it meant high hopes of gaining victory. This year all three classes worked hard to show up the others. The sophomore speaker, Ahmed Nessef, got into his speech, "Universal Plea." As for the spirit contest, well, it being their first year and all, it merely showed lack of experience. The Junior Speaker, Jay Duncan, exposed the problems in the family in "The American Family." The attendance of the Junior class added greatly to the volume of their cheers. Finally, the Senior speaker, Stuart Schoenmann, gave his all with his speech entitled "Leadership." Now, what the Seniors lacked in attendance, they made up for in originality. A first in recent competitions, the Seniors jogged to their seats, much to the surprise of the other classes, and with

The winning Junior tableau.

Obviously, the pencil lead went to this judges head.

great intensity, told everyone who they were. The cheering was loud and precise. According to the judges, the winners were: Speech-Sophomores; Tableau-Juniors; Spirit-Juniors. Most Seniors were shocked with walking away with nothing and felt they should have at least tied for spirit. (Talk about fired up!) The judges fled in the nick of time, for a few seniors wanted to speak their minds (what would they have said?) Every class deserves a hand though, especially the class presidents, Roger Hancock, Joey McClure, and Angela Brinton, Senior, Junior, and Sophomore, respectively. Thus, another Oratorical is etched in memories and things settle back to normal around the campus . . . Note: the judges are still no where to be found. (Never stop looking Sheri!)

Godfather Roger and his hitmen scan the crowd.

Oh what a relief it is!

Feiffer's People

Oh, Bernard! You know it's all psychosomatic!

Come on, guy! You gonna fight or not?

"We're the telephone company! We don't have to care."

Will the meeting of the "I'm just doing my job club" please come to order?!

You never think about me. Always itsa you!

Did you see that dopey movie last night?

George Moon lived on the moon ...

I don't get aroused anymore ...

Feiffer's People, the outrageously funny Spring play, was performed March 19-21, and the 25th, 26th, and the 28th. The play revolves around a cartoonist, Jules Feiffer, whose characters come to life in different skits of how people relate to the problems of american society. Under the direction of Cheryl Keast, the entire cast put in many long hours preparing for the performances. The cast included Beth Ahaus, Lizette Aldama, M.J. Grubb, Cheryl Lee, Chris Manning, Kevin McCullough, Kathy McWorter, David Rodriguez, Paul Rodriguez, Larry Ross, Randy Smith, and Marina Thompson. By the way, those bulletins were quite catchy!? (WHO wrote them?)

Cupid's Dance...

Matt Buonaguidi, Randy Gonzalez, Warren McCourtney, Gary Peterson, Matt Howard.

Tell me more, tell me more... do you think we can score?

Yes, this year Cupid did appear and many couples were indeed hit with the sharpshooter of romance at the annual Valentine's Dance. The boy's gym was transformed into Cloud Nine as the music rolled off the turntable. The tunes were introduced by a dee-jay, a rare treat. All the couples enjoyed the entire evening. Matt Howard was crowned Cupid, and along with the court, shared a dance with their sweethearts.

"Swing your partner round and round..."

Watch me take over the floor, baby.

All Aboard!!!

Unconcert sings of freedom.

Ahhhhhhhhhh...

Unconcert Sings Of Freedom

Come on, Diana, not now!

This year, A'Cappella opened up with it glorious sounds on Thursday night, February 26 in the Glendale High auditorium. The theme of Unconcert was "Freedom" and was expressed by many well performed songs originated by the Beatles to Electric Light Orchestra. The energetic A'Cappella members danced and sang their way to the imaginations of the audience. The highlighted duets by Sean McLaughlin and Sandy Gessner, Kurt Freemont and again, Sandy, also captivated everyone with their fantastic singing. Other soloists included David Stubbs, Charlene Whitaker, Jennie Smith, Gary Petersen, and Pam Zero. Unconcert was definitely a hit this year, thanks to the hard work of the A'Cappella and Glenn DeLange.

The annual Glendale/Hoover football rivalry game turned out to be another victory for Glendale. Though the fans were restless, the Nitros kept their stride. Before the starting of the game, the Homecoming courts and queens from each school were escorted onto the field through the lines of Drill Team members and up to their reserved seats in the stands by their escorts. There, they crowned the other school members of the court and the fans watched the Drill Team and band put on exciting shows for all. All in all, the game between the Nitros and Tornados was a game that will be long remembered because the Nitros clinched the league championship.

This year's Homecoming Dance sparked the fuse of the Dynamiter spirit leading up to the rival football game. The couples gathered in the gym on Monday, December 10. The gym was transformed into an elegant dance floor that set a romantic mood for every couple. Towards the end of the evening, the Homecoming Queen was announced. The chosen queen, Amy Herman, reigned over the Beat Hoover activities along with her court of which included Stacey Seamon, Sonja Haynes, Sarah Morrison, and Heather Taylor. The music, supplied by Affinity, provided an enchanting atmosphere for the queen's dance, as well as throughout the evening.

Sweets for the sweet.

Once again, the annual Beat Hoover Day Carnival took place during an extensive lunch in the quad. The clubs' booths sold mouth-watering foods to satisfy the hearty appetites and the sweet teeth. Amidst the streamers, students, and different stands, Mr. Silverman led his jazz band in toe-tappin music. The music roled through the quad, enhancing the spirit felt by everyone. The highlight of the day was the traditional hitting of the Hoover car. Students had the chance to show how they felt about the rival school by denting and brutally crunching the purple tin can.

ORGANIZATIONS

President Stacey Seamon.

Under the enthusiastic leadership of Stacey Seamon, this year's Glendale High School Pep club had a great amount of spirit and energy.

The main goal of the Rowdy Roosters is quite evident even in the name- to encourage pep and rowdiness! The Pep club's purpose was also to promote involvement in all school activities and functions open to students at Glendale High School.

Among the activities the Rowdy Roosters were involved in were sponsoring a booth at the Beat Hoover Day carnival and demonstrating cheers for teammates on the football and basketball teams. The Pep club added an extra amount of excitement to all activities they were involved in.

PEP

SERVICE

Ritu Sadana, President.

Under the direction of advisor Ms. Betina Schendel, president Ritu Sadana, vice president Amy Herman, secretary Tammy Leibrand, and treasurer Hilda Hagopian, the "S" club gave service to the community through friendship and fellowship.

The "S" club is sponsored by the Soroptimist Federation of the Americas. A soroptimist is one who gives herself in time, service, and cooperation. The goal of the Service club

is to promote unity through the awareness of others, and that is exactly what this year's "S" club accomplished.

The dedicated group participated in collecting food for needy people at Thanksgiving, singing carols for the aging people in convalescent homes at Christmas time, and raising money to give a scholarship to an outstanding senior girl.

President Sheryl Pierce.

In the past, the Fashion club has been combined with the Cosmetology club. However, this year, with the hard work of president Sheryl Pierce and club advisor Miss Sue Huntzinger, the Fashion club was striving for success on its own, and certainly made it.

The goal of the Fashion club was to give clothing students a wider exposure to the clothing industry, and to promote

clothing classes at G.H.S.

The Fashion club designed outfits and stitchery works. They have visited Barnsdall Museum to observe creative stitchery projects and two year Fashion colleges. The Fashion club has had guest speakers from the Fashion Institute, Brook's College, and also the Barbison School of Modeling.

COSMETOLOGY

FASHION

Cathy Boone and Deana Ortiz, Presidents.

Under the guidance of club advisor Mrs. J. Larson, copresidents Deana Ortiz and Cathy Boone, and vice president Karen Whaley, the Cosmetology club learned many fun and interesting things this year.

The "Cos" club's purpose was to promote an interest to any student at G.H.S. in the field of Cosmetology, and allow those interested students to begin to pursue the work in-

involved in becoming a licensed Cosmetologist.

The "Cos" club participated in community service, allowing local residents to receive haircuts, manicures or facials at a nominal fee. In addition to this, the club visited beauty and trade shows, demonstrations, and invited guest speakers to meetings.

President Deirdre Carney.

Under the superb leadership of president Deirdre Carney and advisor Mrs. Cheryl Keast, the Drama club began on its own without the Thespians for its first year.

The goal of the Drama club was to encourage students at Glendale High School who were seriously interested in acting to join the club and help publicize the many aspects in creativity Drama has to offer.

The enthusiastic club went to a Kathryn Hepburn play and performed mime and different scenes from plays in a Drama festival at Reseda High School this year. To raise the money necessary to pay for sets, the club sold candy bars, and sponsored booths at the Beat Hoover Day and P.N.M.A. carnivals.

DRAMA

I.T.S.

President Liza Lessin.

The International Thespian Society is an educational organization which aims to establish and advance standards of excellence in all phases of theatre arts, and to create an active intelligent interest in theatre arts at the high school level.

Leading the dynamic group was president Liza Lessin, vice president Jill Thompson, treasurer Yvonne Meier, secretary Marina Thompson, publicity chairman Kevin McCullough, and liaison Deirdre Carney.

Thespian membership is granted for meritorious work in theatre arts which meets the I.T.S. guidelines.

President Steve Huizenga.

One of the more complex clubs at G.H.S., the Computer club took great interest in the computer's influence in our daily lives and its usefulness as a problem-solving tool.

Organized by president Steve Huizenga, vice president Carlo Cabellero, and advisor Mr. Henri Tuthill, exploration of the computer's problem-solving capacities were stressed.

The Computer club took a trip to UCLA for members to get acquainted with a college level computer system, and also programmed games and posters for school fund raising events.

SCIENCE

COMPUTER

President Samson Dubria.

The dedicated cabinet of the Science club included president Samson Dubria, vice president Narbeh Der Hocobian, members of council Mike Bachtold, Sung Chun, Stuart Schoenman, and co-advisors Miss Marshall and Mr. Lochead.

The main purpose of the Science club was to acquire knowledge in the various areas of science, and to discover

the many interesting and ever increasing scientific fields open to students.

The Science club made visits to energy exhibits at the L.A. county fair, San Diego, Balboa Park, and the campuses of Cal Tech., USC, and UCLA. In addition to its busy schedule, the club was also active in the Beat Hoover Day and P.N.M.A. carnivals.

President Victor King.

After a year of inactivity, the Social Science club, under the guidance of president Victor King, vice president Keyvan Behnia, and secretary treasurer Eric Graat, reopened its doors to discovering the political happenings in the world today.

Promoting interest in the Social Sciences was the main goal of the Social Science club this year.

This aware club held a political forum representing the presidential candidates this year, publicized a bi-weekly editorial survey, and participated in a national competition of problem-solving for the future. One cannot help but wonder if tomorrow's political leaders stemmed from the G.H.S. students of today!

SOC. SCIENCE DEBATE

President Bernice Dougherty.

The Speech and Debate club, under the support of president Bernice Dougherty and advisor Mr. Tom Hall, was one of the more diligent and dedicated clubs this year.

The main goal of the Speech and Debate club was to provide all of the students at Glendale High with the opportunity to participate in speech and/or debate competitions throughout the year. The club also helped to teach students

to learn speech techniques and improve their own.

The Debate club participated in the Occidental College Speech Festival this year, and two other activities were the Lions club and Optimist club speech competitions. It is refreshing to see that a club truly goes beyond the doors of G.H.S. to promote club interest.

President Rob Gallagher.

The Sun and Surf club, a distinguished group of people as members, proved to be a very fun and stimulating club this year.

The club officers were president Rob Gallagher, vice president Remo Iezza, secretary Deanna Bernal, treasurer Ainsley Elliot, and director of publicity Lisa Wang.

The beach lovers traveled to local beaches, where they

either went surf boarding, boogie boarding, body surfing, or simply lying out and encouraging a tan. Experienced surfers taught beginners how to progress, and demonstrated various stunts possible on a surf board. President Rob Gallagher stated, "the Surf club provided a respite from the hectic academic pursuits at G.H.S."

FRISBEE/GOLF

SUN/SURF

President Cindy Netzer.

Under the guidance of Mr. J. Jordan, president Cindy Netzer, and vice president Cathy Boone, the Frisbee Golf club has finished its second year at G.H.S., and had a great turn-out.

The game of Frisbee Golf is played simply by using a Frisbee in the place of a golf ball, and one's arm in the place of a club. The club consists of people who have the common

interest in Frisbee Golf as a competitive sport.

The group played at Oak Grove park, and kept informed about disc championships and tournaments. Some members even included the family dog to join in! Returning Frisbee Golf members were thrilled to see the enthusiasm radiated by the incoming sophomores.

President, Paul Tenner.

The American Anti-waste Campaign was established in order to defend society against hypocrisy, laziness, and ignorance. The members also wanted to encourage clean and healthy living to preserve the resourcefulness and health of the earth. The club was led by president, Paul Tenner and vice-president, Ben McIntosh. Among the many activities

were to have bicycle rides through Glendale; to sell air or nose pins when the need for them arises; to distribute valuable information concerning methods of conserving energy; and most importantly, to inform students on the current energy situation. It was the intention of Anti-waste Club to inform the students at G.H.S. of our present energy enigma.

ANTI WASTE

INVESTMENT

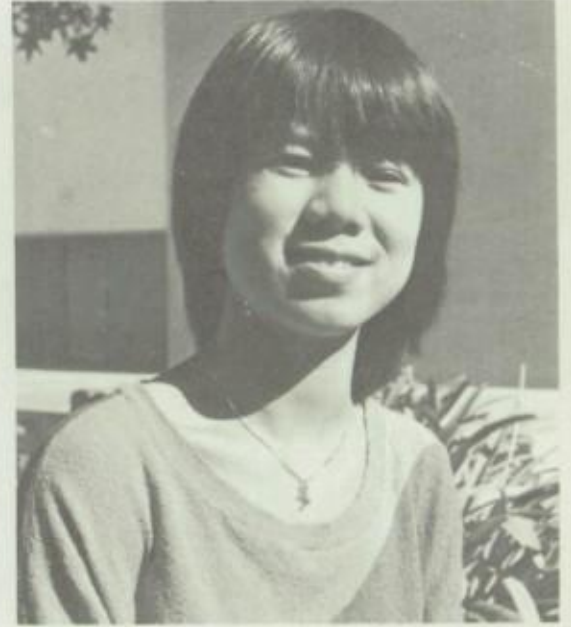

President, Mario Capozzoli.

Jerk

The Investment Club was established by the co-founders Mario Capozzoli and Rocko Gervasi. The members want to not only invest in stocks and bonds, but also in school activities. The investments made to the school are not in money, but in terms of human support. The club meets at least two times a month to decide our upcoming events and

to count our money. Of course, the club was founded on Italian premiss, but anyone with a will to invest in America's future may join. Money or lack thereof is not a prerequisite. Our members are all in good standing thus, anyone with a bad record may not join until everything is cleared up.

President, Han Phan.

The Vietnamese Club, a very active organization on campus, hopes to promote a friendly relationship among the club members. Their activities included: fundraisers; selling food at school carnivals; Club picnics and parties; a tutorial program for new Vietnamese students who need help in English and other subjects, sponsored by voluntary club

members; sport competition in various events; the club presented an enjoyable show about the Vietnamese New Year. Everyone was welcomed. The club officers were: president, Han Phan; vice-president, Binh Nguyen; treasurer, Paul Pham; and secretary, Yem Phan. The club was sponsored by Mrs. Helen Becich.

IRISH

VIETNAMESE

President, Sue McGuire.

The Irish Club, most commonly known as the Friends of Ireland, is a newly formed organization to introduce the customs of Ireland to Glendale High. Among the many activities were: attending galic games, inviting guest speakers; inviting Irish folk dancers to perform, and participating in St. Patrick activities.

The club leaders, all having some Irish descent are: president, Sue McGuire; vice-president, Sandy Gessner; sec/treasurer, Keri McDonald; director of publicity, Danny Delaney; director of activities, Robert Gallagher. Supervising the club are Mr. Kevin Welch and Mr. G. Gallagher. The club turnout was surprisingly successful.

President Ho Mok Lee.

Under the guidance of advisor Mr. Malcolm MacKinnon, president Ho Lee, vice presidents Brian Cho, and Kay Ahn, treasurer Hanna Jeong, secretary Heather Choi, and director of activities Andy Pak, the Korean club accomplished a great deal this year.

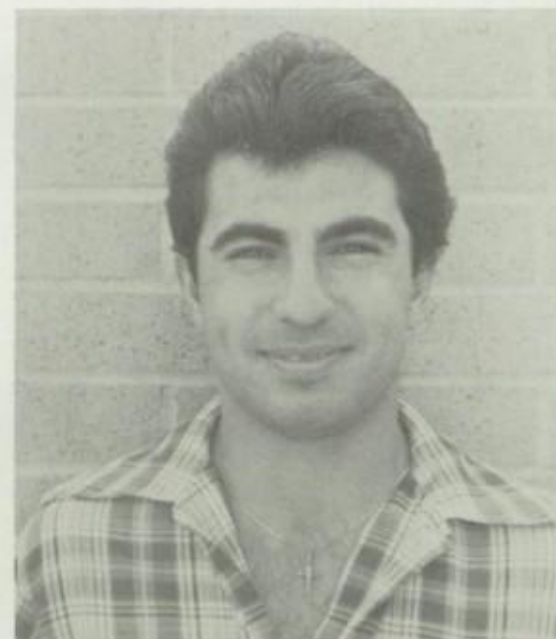

The main goal of the club was to bring together all Korean students at G.H.S., discuss any problems, and to introduce the Korean culture to American society.

The club actively supported school sports events, performed in a Christmas play, and published a Korean Club book.

KOREAN

ARMENIAN

President Hyayr Kurdoghlian.

The Armenian club, one of the larger clubs at Glendale High School, believes that studying and analyzing Armenian history is very significant in bringing about ideas in the Armenian culture today.

With the support of their advisor Mr. Henri Tuthill, president Hyayr Kurdoghlian, vice president Shant Ohanes, treasurer Jerry Torossian, and secretary Aida Melidonian,

the Armenian club actively participated in many of our school functions. Various activities the club was involved in were holding a booth at the Beat Hoover Day and P.N.M.A. carnivals, and club discussions.

The main goal of the Armenian club was to seek out their heritage, and present it to American society.

President Cindy Netzer.

Led by club advisor Mr. Gallagher, president Cindy Netzer, vice president Felicia Hamilton, secretary Sarah Morrison, and treasurer Kristen Rapp, the Spanish club once again proved to be very creative.

The Spanish club provided an authentic look at the Spanish culture, and encouraged members to use the language whenever possible, enabling them to become more affluent.

Some of the events the Spanish club participated in were viewing Spanish language films, dining at authentic Spanish restaurants, and school fund raising activities.

CUBAN SPANISH

President Ines Hernandez.

The Cuban club officers were president Ines Hernandez, vice president Madelin Carracela, treasurer Monica Landini, secretary Lisa Gastelum, and director of publicity Jose Car-not.

The Cuban club's main concern was helping to contribute money for the different scholarship associations- P.N.M.A., Cuban, and American. The club has sponsored a dance, held

booths at the Beat Hoover Day and P.N.M.A. carnivals, and other various fund raisers, in order to raise the money necessary for such donations.

The Cuban club was an active participant in school functions, and added its support to such activities as the Homecoming Dance and International Day.

President Denise Dohr.

Under the guidance of club advisor Mr. Jack Trotter, president Denise Dohr, vice president Ainsley Elliot, and secretary-treasurer Chris Peplow, the German club has been a constant participant in many festivities, along with promoting interest in the German language and culture.

Among the activities the German club has been involved,

include visiting the great Oktoberfest at Alpine Village, ice-skating, seeing various German films, and designing a year end party featuring German foods.

This zany bunch of people are also fanatics about fund raising events. The group has held booths at both the Beat Hoover Day and P.N.M.A. carnivals.

GERMAN

FRENCH

President Yvette Sahakian.

According to French club president Yvette Sahakian, many changes have been made in the French club this year.

One of the primary differences from previous years was that meetings were conducted in French. The main goals of the French club have been for club members to achieve a better understanding of French life and culture, and im-

prove each member's spoken French.

The activities the French club has been involved in are playing scrabble in French, learning French poems, inviting guest speakers to discuss French topics, and participating in several school fund raising events. The club also held informal gatherings at various homes and cooked French foods.

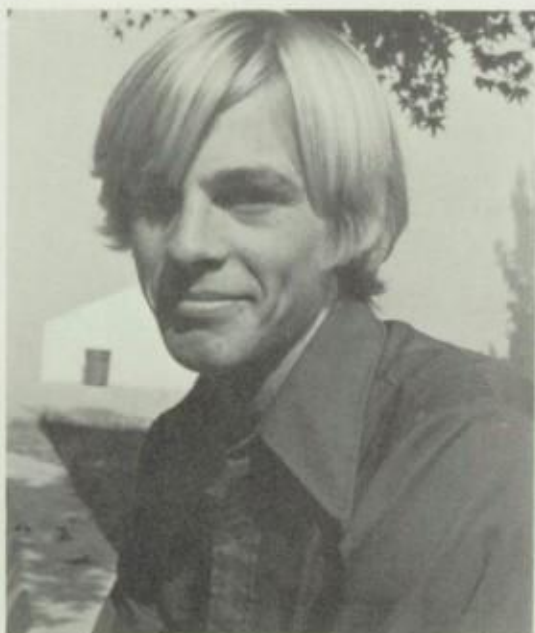

President Steve Sherman.

Steve Sherman, the president of the Jogging club said, "the main purpose for the club is not the competitiveness, although that is a factor, but to enjoy the sport."

The goal was primarily to have fun, however, keeping in tip-top shape was a requirement also. The advisor of the club was Mr. Bryant.

The members have jogged in Griffith Park, Verdugo Park, the Verdugo Hills, and Angeles Crest. To raise money, the joggers sponsored a relay-type-race in which members rode bicycles, along with running. This money went toward the registration fee that was necessary for each person to pay to enter public races such as the 10 kilometer run.

CYCLING JOGGING

President Peter Algiers.

The Cycling club, directed by president Peter Algiers, with the advice of Mr. Rike, was a group of students who strived to become in top shape, and have a terrific time doing it.

The main objective of the Cycling club was to have fun, and also to present the opportunity of racing to serious members. The members also learned about their bicycles

and the different aspects of bicycling.

The group traveled (on bike-of course) to Griffith Park and to the beach. As stated before, the main goal was to have fun, and the Cycling club had no problem in achieving this. The club enjoyed nature and sightseeing trips, and rode in such areas.

President Tom Dudley

The Chess Club cabinet this year consisted of: president Tom Dudley, vice-president Martin Arellano, secretary Chris Peplow, and treasurer Randy Gonzalez. The main purpose of the club was to develop appreciation for the game of chess.

The members arranged tournaments challenging other high schools, and competed against one another. Members enjoyed the deepness that the game involved.

CHESS

LIT. MAGAZINE

President Victor King

Coordinated by president Victor King, editor Michael Esteban, assistant editor Kevin Martin, secretary-treasurer Ritu Sadana, and advisor Mr. Peter Tassopoulos, the Literary Magazine was quite a success in its third year at Glendale High.

The purpose of Literary Magazine is to comprise creative writing done by Glendale High School students, and publish them into a unique gathering of fine literature at the end of the year.

In order to raise money, the Literary Magazine helped at the Beat Hoover Day and PNMA carnivals.

President Amy Herman.

Dance Company, one of the more active clubs on campus, is a group of motivated girls drawn together to promote dance and related activities inside and outside of school. Coordinating these activities throughout the year were Lisa McKiernan, Student Director, and Amy Herman, Manager. Tryouts are held twice a year and anyone may try-out.

This year's events included a dance for the talent show, various workshops and performances, a studio night where classwork was shared with an audience, and a spring recital in which dancers tried-out to be in an onstage performance.

Dance Company also sponsored many professional dance performances, and presented guest teachers.

MARBLES

DANCE

President, Tom Hammer.

New this year, the Marbles Club boasted one of the most enthusiastic followings of any club on campus. The club could be found frequently playing with their marbles in the quad. Club member, Andy Eddy was quoted as saying, "I thrive on the intense thrill of competitive marbling!" Club officers included: Tom Hammer, president and resident ace; Andy Eddy, keeper of the marbles; Bruce Dunham, chalk-

monitor; Mark Cappazoli, refreshments; Bill Weisburg, polisher of the sacred marble; Mario Cappazoli, finance chairman; Little Lou Peplow, publicity chairman; Kevin Ayers, drawer of the sacred circle; and Mike Walton, resident cheater. Providing a welcome break from school, the club held a warm spot in many students' hearts.

President, Carol Passon

Rugged individuals with a love of nature once again united to stalk the mountains in this year's Backpacking club. Under the superb leadership of club president Carol Passon, membership of this popular club increased greatly from past years.

Various excursions to Angeles Crest were very successful and this year's casualties were kept to a minimal few. Last

year's planned trip to Mt. St. Helens was cancelled due to technical difficulties.

The backpacking club was extremely successful at the ever popular Beat Hoover Day and PNMA carnivals. Future club plans include trips to the Grand Canyon, Yosemite, and a hike through the Glendale High quad.

BACKPACKING

SKI

President, Monica Sanford

One of the largest and most popular organizations on campus, the Ski Club, often referred to as the Schuss-boomers has been an active club at Glendale High for many years. The club has taken many exciting trips, including their annual trip to Mammoth Mountain over Christmas vacation. The club informs interested skiers about trips planned, headed by Faculty Supervisor, Mr. Aido Buona-

guidi. The club encouraged all interested people to take this opportunity to learn and enjoy the popular sport of skiing. The skiers consist of all ranges of skill and experience. Every year the club works towards its goal of providing companionship to those students who share the common interest of skiing, and each year they succeed.

Hi, my name is Linda Veloz, and thanks to AFS I spent a wonderful two months in Switzerland last summer. I had always thought of Switzerland as sort of a dream country, with a lot of mountains, snow, and banks, but while I lived there I came to recognize it as a country with a very old, proud history and customs both like and different to America.

Switzerland borders on Germany, Italy, and France, and the languages of all three countries are spoken there. (My family spoke German.) My host brother was taking the average thirteen classes-not each class every day. All classes are highly competitive, and after school he rarely had time for anything besides homework.

What was a surprise to me was that the Swiss cannot get their drivers license until they reach the age of eighteen! Consequently, few school kids drove to school. Many people walked or rode their bikes, and if they lived farther away they often took the train. My host family considered my three car family to be very wasteful.

Not only was my Swiss summer a dream come true, I learned a lot about the country, the culture, and the thinking of different people.

AFS AFS

Hi! I'm Elaine Barros and I'm an AFS exchange student from Brazil. My reasons for becoming an exchange student were because I thought it would be a great opportunity to spend a year getting to know about the United States, and because I hosted an American girl and I know how wonderful it can be.

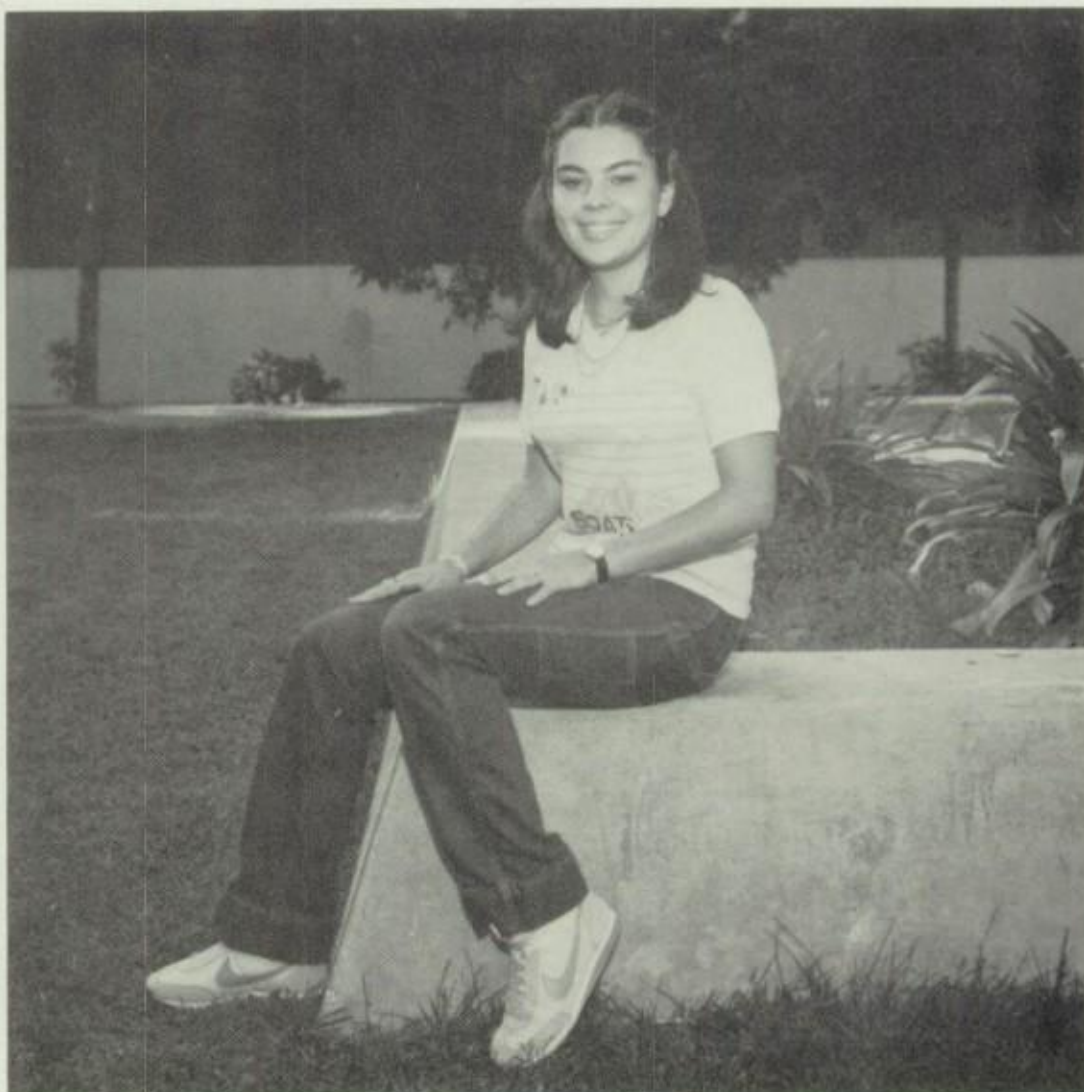

I have been fortunate enough to see and experience many new things since coming here.

Having this experience a person learns that loving goes beyond time and space.

Writing this gives me a chance to thank all my new friends here. I especially appreciate my sister and great friend, Chris Haase. You don't know how much help you have been in enhancing my experiences in the United States.

It's impossible to put all my experiences in such few words. Possibly if I could combine all the beautiful sights of nature present here, like the rainbow and added the special kinds of people who live in the United States, I could make one sculpture of this experience.

I am sure this is going to be one of the best years of my life. I would like to thank my host family, Glendale High and AFS for making it possible! Thank you!

Hi, I am Pascale Blunier and I am a YFU exchange student from Switzerland. In Switzerland I live in a small village named Brugg, with only 4,000 inhabitants. It is rarely hot there and is usually raining. I love the warmth and especially the beaches here!

To answer the most usual questions, yes, I do ski and we do have TV in Switzerland! In Switzerland we attend the "gymnasium" which is like high school and college here. Gymnasium is not mandatory that is why studying there is much more academic than in American high schools. In my school there are only about 500 students, so G.H.S. is a big experience for me. There are so many activities in and around this school that a person can't get bored. We do not have that in this dimension of my school. We have sports, but no clubs. I think it is wonderful!

To anyone who would like to become an exchange student: I would say, do it, because it is a great experience for everyone involved. I have learned a great deal since my departure from Switzerland-about myself, understanding others, and fitting in with another culture.

I am very happy to be here in California and I know it will be a fantastic year for me.

YFU

YFU

My name is David Lilien and I come from Belgium, a small country of West Europe. I live in the Southeast of Belgium in Verviers, a city of 30,000 people, and my native language is French. In Belgium, there are only 10,000 citizens- I believe the population of L.A. The weather is fairly cool and during the summer the temperature reaches 80 at the most, whereas in winter we have snow.

There are so many things to do, to see, to discover in a city as big as L.A. School here is much easier than school in Belgium. The class atmosphere is different: here students are more relaxed, the classes are noisier, and the teachers are more "loose" towards the students. In Belgium, a person has ten courses chosen for him, and school begins at 8:00 am and ends about 4:00.

I enjoy sports very much. I am a fan of the L.A. Dodgers, and I belong to the tennis and soccer teams at G.H.S.

This experience is really great for me. I have learned a lot in discovering new people and a new culture. I think I will benefit from this wonderful year, and it will prove to be something I shall never forget.

I am Diana Hawthorne and I am a YFU exchange student for a year in France. I had to give up my senior year at Glendale High to come here, but I do not regret it at all, and I do not think I ever will.

This is a great experience, to live in a different culture, with a family that I did not even know when I got here, but who is now a part of me. I have a ten year old sister, a sister my age, two older brothers, my "parents" and a dog. We live about 95 miles northeast of Paris, in the suburbs of St. Quentin.

A person learns so much about himself, others and even about appreciation of the U.S. through YFU. I just love it!

Of course I have homework, and there are times when I feel homesick, but it is all part of the things I am experiencing. David Lilien, also a YFU student, who is now at Glendale High, is my Belgian-brother and is staying in my home for a year. I was fortunate enough to take a visit to Belgium to visit David's family.

I really wish more people would participate in YFU and AFS, or some exchange program, because it really is a different experience that often is not given. A person meets a lot of people who will always be friends. It is great to become a part of an international family.

YFU YFU

Hi! My name is Marcel Koehler, and I am a YFU exchange student from West Germany. I came here to America because I thought it would be interesting to stand on my own legs for one year, to build my own personality and to think about my life in the future far away from my country.

My country differs not in many ways from the U.S. I guess it comes because Europa, in the 60's and 70's, picked a lot of things up from the Americans. So, we have the same things, distinct only because of the different cultural influence. School is a big difference. Occupational school is combined with regular school. In Germany, we cannot go to classes like print shop or wood shop. We have special schools for that. You can go to it when you learn a business. Our political system is also based on the democratic idea. The elaboration of the USA's system is because you are more qualified here. I like America. My experiences are mostly positive and I must thank YFU, Glendale High School, and my host family. They have all given me the chance to live for one year in the United States of America.

NITROS START OFF SEASON SLOW

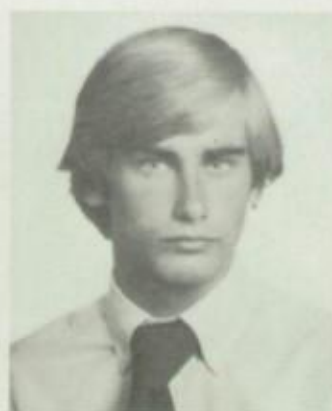

Kiesau on the interception

Traveling to North Torrance for their first game, the Dynamiters had a dismal adventure. Losing quarterback Mike Wall early in the game started off a streak of bad luck. The Saxons continued to batter the Nitros 20-0. The only bright spot of the game, was the hard hitting of free safety Kevin Kiesau, and linebacker Dave Durflinger.

Next the Nitros travelled to La Canada only to be beaten again. On Glendale's first play from scrimmage, they turned the ball over to the Spartans which immediately set up a score. Glendale trailed 7-0. Minutes later La Canada found themselves in the end zone again for another score, but the extra point failed. Behind 13-0, the Dynos lost hope. Glendale's offense finally came alive midway through the second quarter. Quarterback Mike Wall hit tight end Duane Bickett, who made a spectacular catch on the one yard line. Three plays later, tailback Andy Eddy took the ball over for the

score. Eddy's extra point was good making the score 13-7.

In the second half, the Spartans offense caught fire and caught the Nitro defense off guard, running up the score to defeat the Nitros 34-7.

Glendale hosted San Marino for their first home game. San Marino got on the board early in the game with a 23-yard field goal, making the score 3-0. Shortly after, tight end Duane Bickett left the game with a concussion. Tragedy struck the Nitros with six dropped passes and various mental errors plus being penalized several times on first downs.

In the second quarter San Marino added a 33-yard touchdown pass to take a halftime lead 10-0. The Titans scored again in the fourth quarter and added a two-point conversion to better the score 18-0.

Glendale scored late in the game with a pass from quarterback Mike Wall to wide receiver Walter Hayes in the corner of the end zone to give the Nitros their only score and the final score of the game making the score 18-7.

Glendale proved inches determine a football game in their 20-19 loss to Crescenta Valley. The Falcons opened the game by driving 75 yards for a touchdown following the kickoff. In the second period Andy Eddy scored on a 37-yard screen pass from Mike Wall. Tony Hernandez added another Nitro score on a one yard run before the half was up.

Then late in the third quarter the Falcons added another touchdown on a 45-yard run and scored again in the final quarter on a 30-yard pass that left Glendale behind 20-13 with four minutes remaining.

95 yards to go the Nitros marched down field and Andy Eddy scored from 3 yards out. 32 seconds remain when Mike Wall keeps on an end around in an attempt to complete a two point conversion and falls an inch short of the goalline resulting in Glendale's fourth straight loss.

The Nitros moved the ball well against La Puente during the first half, but were stalled by several costly fifteen yard infractions. Finally during the second quarter, Mike Wall connected to Duane Bickett on a 9-yard pass to give the Nitros the only score of the game.

The Nitros continued to batter La Puertes Offense not allowing them to get past their own forty-yard line. This was possible by extremely hard hitting by safety Kevin Kiesau and linebacker Dave Durflinger.

Andy Eddy became the first Nitro to gain over 100 yards rushing this season. Eddy ended up with 123 yards on 21 carries.

Glendale 14 Monrovia 23

The Nitros fell behind on the very first play from scrimmage as Andy Eddy fumbled the ball on his own 23, and Monrovia picked up the ball and ran it in for an easy score.

On Monrovia's next possession Duane Bickett intercepted a pass and returned it 63 yards for the score. Andy Eddy's kick was good and the Nitros led 7-6. In the second quarter both teams traded scores as Glendale's Dave Durflinger scored for Glendale from the one. However Monrovia's extra point was no good, while Eddy's was good, resulting in a 14-12 Nitro halftime lead.

In the second half the Nitros failed to score while Monrovia added a field goal and a touchdown, leaving the Nitros 1-1 in league.

Glendale 20 Blair 7

The Nitros put points on the board first with a 30 yard pass from Mike Wall to Wide Receiver Walter Hayes. However Andy Eddy's PAT failed.

Blair's running back Crutcher seemed to be on his way to a 65 yard touchdown run had it not been for defender Tony Hernandez who made a great tackle at Glendale 19. Two plays later Linebacker Dave Durflinger recovered a

fumble on Glendales 12. Blair forced the Nitros to punt. The Nitros ten stopped Blair on a spectacular fourth down stand. Mike Wall taking over on the 40 connected with Walter Hayes for passes of 20 and 29 yards to set up a 26 yard field goal by Andy Eddy to make the score 9-0. Duane Bickett intercepted a pass which enabled Eddy to kick a 47-yard field goal putting the Nitros ahead 12-0 at half. Mike Wall scored in the third quarter and the two point conversion was good giving the Nitros a 20-0 lead. Blair scored but was unable to catch up, putting Glendale 1-1 in league. Glendale 24 Burroughs 21

Led by the passing and running combination of Mike Wall and Andy Eddy the Nitros won a see-saw battle. Glendale scored first with a 30-yard field goal. Burroughs quickly ran back the kick off for a touchdown, making it 7-3. Both teams gained momentum and with 1:48 to go in the game it was 24-21 and the Indians were at the Nitros 4-yard line. The opted for the tie and missed it and Glendale was 2-1 in league.

Glendale 38 Burbank 12

Wall connected twice with Duane Bickett early in the game for touchdowns of 76 and 10 yards, while also hitting Walter Hayes for a 15-yard scoring pass. Wall also scrambled for an 8-yard TD. Eddy got

Glendale on the Board first with a 2-yard run on the games first drive and also connected on a 22-yard field goal. Glendale finished the night with high esteem from all the other teams in league bettering their record 3-1.

Glendale 28 Hoover 0

Glendale scores came on a 1-yard sneak by Wall, 1-yard run by Eddy, 15-yard screen pass from Wall to Durlinger and a 28-yard run by Durlinger. Glendale dominated the game and gave them the First league Title since 1962. Now it was off to the playoffs. Playoff games cont. on page 168.

CIF PLAYOFFS

Glendale 20 Quartz Hill 8

Glendale put it together in the second half with Mike Wall hitting Duane Bickett on quick outs to move the ball. Andy Eddy took the ball the last 25-yards to score from 1-yard out making it 7-0 at half-time. Andy Eddy scored twice more in the 2nd half with carries of 2 and 28 yards to keep the Nitros ahead by 20-8. Duane Bickett had 6 receptions for 87 yards and Mike Wall had 13 of 21 passes for 169 yards. This gave Glendale their first round win since 1962. Glendale won by pounding quartz.

Glendale 29 Lompoc 36

Glendale got touchdowns from

Mike Wall on a 2-yard run and passes from Wall to Walter Hayes of 32 and 25 yards. Andy Eddy kicked 3 extra points and Duane Bickett scored on a 2-point pass play from Wall. Lompoc grabbed an early lead 14-0 in the first quarter. The Nitros came back to take a 21-14 lead but the Braves tied it at half. Lompoc scored once in the third quarter, and once in the fourth quarter to take a 36-21 lead. Glendale was unable to catch up, only scoring once late in the fourth quarter. CONGRATUALATIONS on a spectacular season from the yearbook staff, and now you deserve to go "Goathead Fishing"

SOPHS END SEASON AS UNDEFEATED CHAMPS

First year head coach, Don Shoemaker led the team to their fantastic record and the third league crown in 3 years.

The Sophomores undefeated year will linger on as a goal to all the other sports. Stats show that the wins were not slight win but dominations. In some games it was as if the other teams were not in the game or "out Goathead Fishing".

The Sophomores under the leadership of Quarterback Scott Werbelow, with 74 completions for 1200 yard total, led the Nitro team to their 10-0 victories. Scotts' primary receiver, Tom McMillan contributed greatly to Scotts success with 44 recptions. In one game which is a Glendale High Sophomore record which was also tied by Tom himself, was the reception of 9 passes.

Another outstanding factor was the determined play of Jay Willia. Jay, a running back, ran 818-yards on route to 8 touchdowns, one of which came at a critical time during the Burroughs game. The Sophomores found themselves down 8-9 in the third, but won 15-9 on Willia's touchdown.

Our Sophomore team are receiving more and more people at our games. This is due to the fact that the Sophomores are not Sophs anymore, thats an old standard, but the Sophs are a team in unisome with each other. The games are not considered a pre-game anymore but rather a game of future offensive and defensive starts. We of the yearbook staff congratulate the Sophomores on a fine season and wish them luck in coming years.

This years 1980-1981 Varsity Basketball team was one of the most impressive achievements since the famous team of 1973 which went 10-0 in league. This years Varsity team matched that feat going ten and 0 in league play. While accomplishing this feat the Varsity found itself with fitness, muscle and determination among the team. FINESS came in the form of 6'7 center Mike Martin. Mike an all league player found that up close to the basket is not the only place for a big man, but outside the key is where Mike has perfected his shot to 53% accurately. Now MUSCLE came in the shape of 6'5, 200 pound forward by the name of Duane Bickett, (Also the starting Tight End of the Football Team and going on a four year scholarship to USC). Duane, an awesome inside man, helped the Nitros offensively as well as defensively, mainly defensively, where he averaged an outstanding and amazing

7.6 rebounds a game. Duane also was a main factor on offense with an average of 23.6 points per game. A lot of Bicketts points were very crucial in game situation. The word DETERMINATION came from the other 3 starters. These three were guards Warren McCartney and Pete Jensen. Warren McCartney averaged 9 points per game and Pete averaged 11.5 points per game. Both played crucial spots in the winning season. The third one is forward Colin Swainston who also played a crucial role in the 10-0 record. Colin averaged 4 rebounds per game and 6 points per game.

Weeeeeee!

WIN LEAGUE

WHOOOSH!

Short people got no reason!

Warren on the dribble

These three men allowed themselves to promote team effort for the denial of self achievements and goals. They helped play as a team not as individuals.

Every team needs a spark, a sort of "Nitro", and this word can only go to one player and that player being Jay Brugman. Jay was called the best 6th man in league by the area coaches. They say he has the most difficult job on the court, he has to come on the court cold and try and spark up the team in need or if another player gets in foul trouble or injured. Jay was just that kind of person for the job; he would come off the bench and into the game and make it look like fun. Jay scored crucial points when the team was down.

A crucial game for the Nitros was their first league game against Burroughs. In this game Burroughs actually held a 12-11 lead at the end of the first quarter, and capitalizing on some sloppy play by the Nitros, trailed by only 2, 32-30 at half-time. But the Nitros regrouped in the third quarter outscoring them, 15-9, and jump out to an eight-point lead entering the final period. In the fourth quarter Glendale had firm control of the game as evidenced by Burroughs' attempt to get back in the contest by forcing the Nitros to go to the line on one-and-one situations. The strategy however, backfired, as Glendale scored 16 of its final 2 points at the charity line. Another crucial game in the season was against supposedly league contender Blair. Glendale led by as much as 11 points in the third quarter but Blair's full-court press closed the gap in the final period.

At the start of the fourth quarter the Vikings press enabled them to outscore Glendale 13-4, to take a 58-57 lead. After Blair went ahead, Glendale regained its composure by outscoring the Vikings, 7-2, to take a 64-60 lead with three minutes remaining. The Vikings came back to tie it up in regulation time which sent the game into overtime. In overtime Martin hit a 12 foot jumper while Bickett scored two layups to break a 66-66 tie. The Ni-

trots scored four more points to clinch the game. Bickett in that game had 27 points followed by Martin who had 19 points.

Those two games were two of the many crucial and exciting games that Glendale had this year. Glendale goes to CIF playoffs against La Mirada in the first round, which will be covered in the supplement. The Yearbook Staff would like to Congratulate the Basketball team on a great season and wishes them all the best of luck in the playoffs. The J.V.s lost most of their league games by one or two points, a total of six losses in all. Tim Volpe was instrumental in the J.V.s wins, not only in scoring but Tim, being a guard, brought down more boards than the forwards who play close to the action. Tim was named M.V.P. and was co-captain. The other half of the co-captains is Martin Arellano who, is the one who made things happen, dishing assists and scoring when needed. One of three Sophomores on the JVs are Greg Grande who has radar perception. Greg is a prolific shooter scoring 45% from the floor. Others who helped with rooting for the starters were Stanley Eichorn, Jay Duncan, Remo Iezza and Juan "Bluto 2" Figueras. Another great achiever and main factor to the JV team was Sophomore Tom MacMillan. Tom lead the team in assists with 52. Good job JV Basketball from your rowdy rooters on Yearbook.

The Sophomore Basketball Team had a very successful season this year. Under the Coaching of Gene Murphy they had great victories over their opponents. This group of fine athletes had a starting five, but the support from the bench was very instrumental too. Led by top players, such as, Jason Wilia and Kevin Hansen helped pull the Blasters through their season with flying colors. Now we'll give a little thanks to the Cheerleaders of these players who gave their support throughout their winning season. Mr. Murphy was very happy with his team and says they are a group of fine athletes who will have success in Basketball in the years to follow at Glendale High. We on the Yearbook Staff want to wish this team good Luck in their following years at Glendale High. GOOD LUCK.

GIRLS VARSITY TAKE SECOND

This Year's Girl's Varsity Basketball Team had a very successful season. They placed second with a 7 to 3 record in the Foothill League. Except for one senior, the team consisted mostly of sophomores and juniors. They displayed excellent teamwork, superbly coached by Miss Lynn Johnson. The most valuable player was Debbie Rinder. The Varsity Team has come a long way since the start of the season. Each player helped contribute to the success of the team. Their ability as a whole, brought the team to many great victories.

WATER POLO MISSED IT BY THAT MUCH

Glendale Varsity Water Polo regular season ended in a gripping game against cross town rival Hoover to decide the Foothill League Championship.

Ending the first quarter of play against Hoover, the score was 1-1. It was here that the equality of the two teams became obvious. The game was even throughout the half, and it wasn't until the beginning of the fourth quarter that the Nitros lead by one. Hoover soon tied up the score again and then a Tornado hurled in the winning score. Various Nitros shot frantically for a goal but the final gun sounded and the League Title was lost. Coach Briggs was very pleased with his team and said, led by Mike Walton, Brent Bickett, Mike Leach, Bruce Dunham, and Dave Guder, they should have had good success in the playoffs.

THE GUPPIES TAKE 1ST

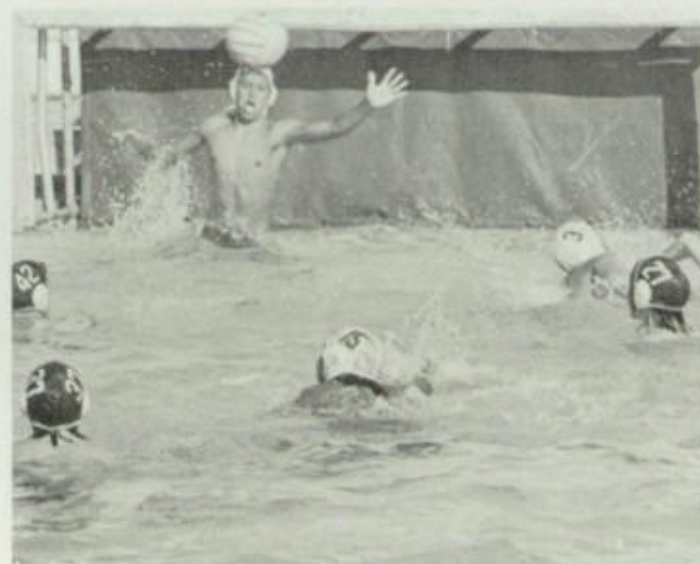

Glendale Highs Sophomore Water Polo team did an outstanding job as a team this season. Starting off slow in pre-season did not discourage the Nitros who proved they could play as a team in league. Beating Burroughs 18-1, showed the Sophs they could not be beat. They then went to beat Monrovia 18-2, beat Blair by forfeit, Burbank 10-0, and then beat Hoover to take the League Title by a close score of 7-6. Top scorers for the Dynamiters were Alan Churukian, Jeff Kruse and Deany Huff. Coach Pete Laporchio praised the Sophomores and said as his first year of coaching he was very happy to have a great group of boys that he had. He hopes to see all of them play Varsity next year. Boys Varsity Swim Team looks very promising this year and looks like they will have a good year. With only a few veterans on the team and mostly new personal, it will take alot of vigorous training and willingness to take the league championship. Coach Briggs and Garberson are sure they have the material to get this team to the CIE Playoffs and have great success in the playoffs. Among the returning personal who will lead this team to victory are Mark Fraser, Eddy Shin, Bruce Dunham and Chip Dewey. The team has high hopes and plans on proving they are good not only to the school, but to their coaches and the school. We on Yearbook are behind you Varsity Swim all the way. Good Luck!

SOPHOMORE SWIMMERS MAKE THEIR MARKS

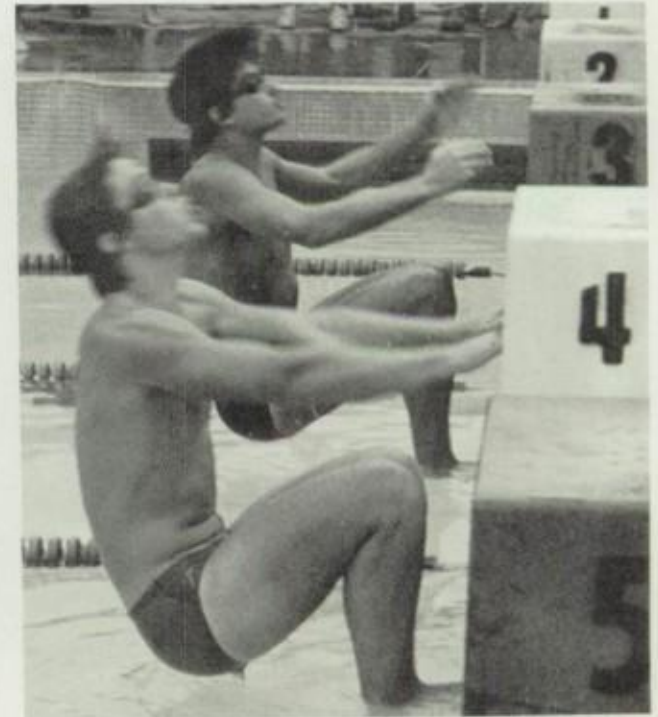

The Sophomore Swim Team looks for records, timing, and winning. As a Sophomore swimmer he has three years to prove to himself that they are capable of getting their name in the records books and the fame that comes with it. This team has the personal to win and make records as they do it. Among the possible record makers are Pat Black, whom Coach Briggs looks toward for a good season in free-style, Jeff Kruse, and Robert Brackett. The Sophomores may be unexperienced in swim meets, but then so are all the other teams and these Sophomores seem to have it more together than other teams. GIRLS VARSITY SHOW THEIR STUFF

Glendale High's Girls Varsity Swim Team is looking very promising this year with many outstanding swimmers. Among these swimmers are Nancy Giesbret, Terri Mortimer, and Stephanie Sone. The team has quickness in the water as well as poise and stamina, and should have a good shot at the league championship and a CIF bid. Coach Briggs is very Excited about this group of girls and says that of any other team he's coached this team has the most potential. The girls in all divisions of the races have great depth and fast swimmers as well as expertise in these certain styles. It's no wonder they are all called mermaids of the chlorine pools. GIRLS J.V. SWIM STROKE TO VICTORY

The J.V. Swim Team coached by Bob Briggs is looking for a good season from these girls this year. The girls have good potential and are fast swimmers, says Briggs, and have a good attitude toward the sport. Stand out swimmers for the J.V.s are Kathy Divita, Ann Caraher, and Celeste Shoemann. These girls as well as the rest of the team are going for the league title in all divisions. In Pre-Season the girls had a 1-1 record loosing to C.V. by a small margin, and beating Muir by a landslide. Good Luck Girls J.V. Swim from your Aqua friends on the famed Yearbook.

Under new coach Darlene Hard, the Glendale High Varsity Tennis team finished third in league and advanced to CIF to play Beverly Hills. The girls must be congratulated on their tremendous effort and performance this year. With only two Seniors on Varsity this year means next year team should be very strong next year with so many people returning.

Under coaching of June Pearson, Glendale Highs JV Tennis team finished co-champs with Burroughs High. Congratulations JV's and good luck next year.

Varsity Tennis for the year of 81 will be a very hopeful prospect for the league title. Lead by single players Bruce Man Song-Hing and Levi DeGuzman should bring the Nitros many victories. The team won league last year with mostly the same players and plan on making it a repeat performance for the league. Glendale has strong singles as well as doubles. Most of the matches will be played on Glendale's courts which need resurfacing, but will do for the season. Mike Muscare has many expectations for the team and says he now has the team to win the league and possibly take all of CIF. Good Luck Tennis Team from your fans on Yearbook.

VOLLEYBALL-BUMPS, SETS AND SPIKE TO VICTORY

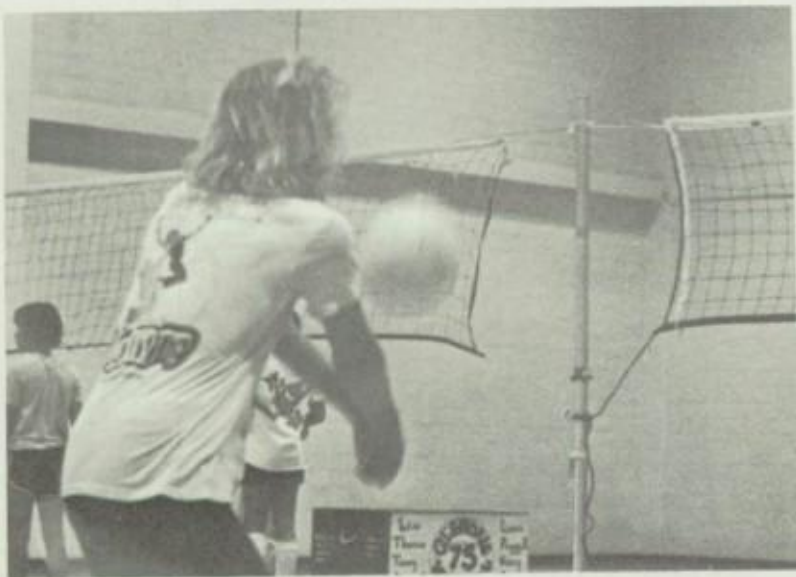

The Glendale Varsity Volleyball Team is looking very promising this year with many outstanding players. Among these players are Mark Grist, John Hoxie, and Jimmy Smith. The Varsity has great depth in their substitutions as well as a great starting six. The name of the game is to accurately set the ball for a total spike down the throats of the opponents. Mr. Trotter has high hopes for his Varsity as well as his JV team. The JV team also has a very strong starting six with good size, with an adequate bench. FOOTHILL LEAGUE CHAMPIONS

Watch the birdie, Tigg!

Both the Varsity and Jr. Varsity 1980 girls volleyball teams wrapped up their season as Foothill league champions. Summing up their season with a 9-1 record, the varsity only loss came in a make-up game with Burroughs. Burroughs surprisingly upset Glendale in two games, with Glendale lacking their captain and league M.V.P. player, Kelly Duncan, due to sickness that day. Glendale bounced back in their match against cross town rival, Hoover, to provide a final victory, concluding the league games.

Going into C.I.F., the team did not fare as well as expected, losing their first match to a sub-par team called St. Josephs. Winning their first game and exhibiting excellent skill and concentration, they could just not hold on, and dropped their last two, to end their 1980 season.

Glendale was proud to find three of their players, Tigg Hitch, Maureen Bond, and Mary Mudie, named to 1st team all-league, two to 2nd team, Sossy Soukiassian and Teri Mortimer, and Erica Kanowsky and Tonya Santor who received the honor mentions.

THE UNDEFEATED CHAMPS

This year's J.V. volleyball team, led by Mr. Jack Trotter, ended their undefeated championship season with an awesome 10-0 record. In their second round of play, only one team ever came close to defeating our girls. It began with an exciting win over Burroughs in which the Bulldogs gave an all-out effort, but could only come through with a win in the second game of the match. Glendale won the other two, 15-9 and 15-2 to take the match. In the next game against Monrovia the J.V.s won handily in two games with scores of 15-0 and 15-3. The Nitro girls also fared well against Blair and then again in a make-up game proceeded to give Glendale the overall glory of undefeat as the Tornados fell to fiery serves of the winning Nitros.

Track like many other sports requires dedication and a willingness to win. Endurance, Speed, and Strength are the three factors needed to have a good track team. This year's Varsity track team has all three of these qualities, and have a lot of it. Endurance comes in the form of Steve Sherman (long distance), Speed in the forms of sprinters Walter Hayes, Louis Ocon, and Dean Giancanelli, and Strength in the form of Andy Eddy (shotputter).

Barnes has great enthusiasm for this years Varsity team and plans on ranking high in league and going for the CIF title. It has also been informed to roving reporter that they have the ability to break many school records. Your looking Good Track from your friends on Yearbook.

Cross Country Gives It Their All

The Sophomore Cross Country Team ended the 1980 season with a record of 4 and 1, with 1 forfeit. The first part of the season, Jules Vallier was the #1 soph. runner for the Nitros leading them to victory in a practice meet against S. Pasadena. Though the Nitros dropped the next meet to league champs, Burroughs, they won their next four with Kerry Weaton, Bruce Rosenberg, Jules Vallier and Mike Schultz being strong finishers for Glendale. In the Monrovia meet, though Glendale dominated pointwise, the meet was forfeited to the Wildcats on a technicality, giving us our second league defeat. In the second half of the season, Jules was replaced by Kerry Weston as the #1 runner due to injuries that kept Jules from running as well as in his past performances. It is expected that most of these runners will be back running for varsity next year.

Another year has passed in the annals of Glendale High School, and as Editor of the 1981 *Stylus* it was my job to record the events that took place. When I accepted this job, more than a year ago, I was not quite sure what I was in for. The job of editor can sometimes be quite trying to one's sanity, but I would not exchange this job for anything (it's been a super experience for me.) I still do not think that I will believe there are not anymore dead-lines until I walk across the stage at graduation (CONGRADULATIONS SENIORS!). Now that the Book is finally finished, I would like to thank all the staff, even those who were trying on my patience, for their efforts to produce a super yearbook.

First of all I would like to thank the photographers. Without them the rest of the staff would have had nothing to do. Our four snap-shotters this year were Jim Kirchberg, Sossy Soukiassian, Abel Jose Gonzales, and LeAnn Stubbs. The majority of the sports shots were taken by Jim and Abel. LeAnn was always willing to shoot anything, as long as it cut into her class hours, and not her working time. Sossy should be known as "Miss Print." She and Doc (Bless his Heart), were responsible for most of the prints. Finally, just a small word for Abel - The Few, The Proud, The MARINES!

This year's faculty section was completed by the first year staffers John Nash, Mairena Arevalo, and retrunee Shannon Lloyd. I would especially like to thank John and Mairena for the great job they did as first year staff members. Shannon (known last year as P.B. -Have you figured it out Chuck!) was also a help to this section when we could find her.

Next on my list is Mario Capozolli, because at this time I think it is time for a little comic relief. Mario is the only one I know who will jump up on the back counter and wash the windows, when Doc and I are trying to have a serious conversation (imagine this freak throwing water on the window, and then using a rubber squeegee to smear it around). This year Mario will not be known as the creator of the wonderful pages of "The golf ball in action," but of the color section in the center of the book (Hey Mario, Where is the Beat Hoover Day page?).

The activities section this year was done by Deanna Martin... and, oh yes - Mike Thomas! (one of the famed three) Deanna is definitely the low key member of this section. Mike and two other members of the staff, whom I will mention later, ran into a little trouble with Doc and me earlier this year (I think he has tamed down a little by now). Mike's claim to fame is procrastination (I am sure no one else knows the meaning of the word).

Organizations I fell is one of the tougher sections in the book. Truthfully, tell me how you can successfully write serious copy on some clubs such as the Marbles Club? Ainsley Elliot, Chris Thomas, and Lisa Wang were the members of this section who created a top-notch insert. Lisa was a member of last year's staff (known as F.P.B.) who contributed greatly to the section this year. Ainsley was the life-saver who always seemed to get her sections pages to me on time. Finally, rounding out this section, is Chris Thomas. Chris is the second member of the famed three. He, like his cuz' Mike, also got into his share of trouble (Although I will have to admit he is definitely the mellowist of his buds). Chris, like Mike, also enjoys using the phone which some teachers didn't seem to appreciate.

The section with the most pages is obviously sports. This year's trio consisted of Robert Gallagher, Deanna Bernal, and Remo Iezza. Probably the hardest working and biggest complainer was Big Bob (known on the football team as B-B... does not stand for Big Bob). I like Bob because he always makes you feel so good. If he does not like your pants, the way you comb your Hair; you name it, he will complain about it. I can't say

anything about him because even through all his bickering, his work got finished. The second member of the trio is Deanna. Whatever Bob was unable to do, Deanna usually did (there are those rare occasions when Remo does do something). Deanna complained to me almost as much as Robert, but only about her colleagues. The last member of the trio is Remo - what can you say about Remo (he was more often than not a pain in the butt.) bet you have already guessed - yes, Remo is the last member of the famed three. I think Remo was given a can of spray-paint when he was little. You can imagine Doc's surprise when he walked into the room and found "T.V.R." spray-painted on his bulletin board.

Further down the list is Linda Martin and Julie Hassenmiller. These two hardworking individuals did the underclassmen and senior sections. Linda and Julie have done a super job with both sections and their hard work is much appreciated. Linda, one of the notable songs this year, was a great pleasure to have on staff (why she always said that she was on a diet - I'll never know). Question - Do you think Linda is most likely to become Miss America? Julie also did a great job and had decided to take on the responsibility of producing the 1982 yearbook (Good Luck - I know yours will be one of the best).

Finally, the last section of the book is Ads. This year Tom Hammer and Sue McGuire had the privilege of doing this section. I have to sympathize with them because ads are not the easiest things to find. Sue was a very unique member of this year's staff - if she wasn't cutting me down for some reason or other, she wasn't feeling very well or it was Hush Day. Sue was the resident prepy of the staff (love those arguile socks and plad skirts). If you find anyone who loves to sit down and type fictional stories about people, I'll show you Tom Hammer. The resident novelist even wrote one about himself in order to save his credibility in the class (if you would like to read them, just check the back wall of the yearbook room - some are even creative.)

Our last two staff members have special positions and are much needed individuals. Amy Herman was the photo coordinator - probably the most time consuming position on staff. Her time and dedication does not go unappreciated. The last member of the staff had more to do with the book's page cosmetics than anyone. Heather Taylor was this year's art editor (she did most of the stripping).

There is only one person left, the advisor, "Doc." This is my second year with Doc and both have been super experiences for me. The reason this book (*The Stylus*) is as classy as it is today is because of Wayne Griffiths. Doc spends a lot of his own time to make things fall into place and to produce the best book around. Doc is the backbone of this book and I am glad to have been able to help him with it. Doc, thanks for putting up with a fairly radical staff!

Before I bring this to a close, I would like to thank the whole staff again-you should be proud to have produced the best yearbook to date! Thanks for your time and patience. Also I would like to thank Paul Collins for his help and guidance. I want to thank Dulap-Turney for all their help.

I'd also like to thank my friends and family for putting up with me around dead-line time when I was a bit edgy. Finally I would like to thank again, everyone who make this book possible. This has been a fantastic learning experience for me. Best wishes to all in the future and I hope that everyone will be able to look back at this year as a positive experience. Thanks ALL!

Andy Eddy

Dearest Becky,

You have been the most talented musician in clarinet! and I'm glad you're a friend who I know that plays so well. I guess you have a gift from God that is special... so I think you should use it very ~~wisely~~ wisely, and now you're on the very right track.

I hope you have a great summer... oh!! and don't forget to pass by at the original cookie at Glendale Galleria, okay? I'll be working there in the summer. Have fun, and keep in touch

Lecky, Becky Woods

Well, goonie chick, what can I say. This past school year has been... uh... well... I know... um... Interesting. No, on the serious side of life. You and the whole group of goons has made my senior year special. Don't pay attention to what I say when I'm mad or upset, I lost my head. Anyway, thank for the memories. Keep in touch (well maybe not literally.) Love

Tammy Leibran 240-5087

Dear Becky,
I'm so glad that we got to be friends again in high school!

It seems such a pity that I'm graduating away from all the good friends and goons that have been my constant companions for an entire year. Good luck next year in band & as Honored Queen. Congratulations.

Your friendship always,

you a good friend.

Becky,
You say friend; too bad. You didn't get to me before you did (~~exactly~~). I'm such a loner, I won't move like it. I'm going to probably (I don't know yet) miss your kinky ways. What a goon! Check out Budd in his opera. I love you.

Glendale's first match-up on their way to the top of the ladder in the playoffs was against La Mirada. The visiting Devils were no match for the Nitros, who immediately put them back on the bus. High scorers of the game were Bickett and Martin bringing in 55 points between them in the 100 to 70 win. The second round brought another victory for the Dynamiters, who put away San Luis Obispo 50 to 35. The victory brought the Nitros one step closer to the ultimate goal of a lifetime, CIF crown. Bickett and Martin brought in outstanding games in this victory too. The Nitros next found themselves in the Quarterfinals, playing the Red Devils of Pomona. Glendale led most of the game and opened with an 11 point lead in the 3rd quarter, but the Red Devils fought back in the last quarter to take a 56-53 lead. With 1:49 remaining the score came to a 59-59 tie. Glendale had the ball and came out in a four corner play, but when Pomona didn't come out of their zone defense, the referee blew his whistle for them to do so. The Red Devils stopped and Glendale scored on a layup. Pomona turned around and protested the game at that point of mix up. The commissioner OKed the contest and the last 1:49 was played over 2 days later. Glendale didn't waste any time by scoring quickly when Martin passed to Bickett free under the basket for a three-point play. Glendale officially won 65-61 in a replay.

Who put the helium in the ball?

The cheerleaders show enthusiasm.

C.I.F. Champs '81

The LA Sports Arena was the next stop against the Sunny Hills Lancers of Fullerton. The Dynamiters rolled to a 68-43 win. This brought the Nitros to the Finals and another chance against Blair.

In the next game against the Vikings of Blair, turnovers and Bickett's foul trouble helped Blair and all CIF swingman Shawn Holiday to take a 33-27 halftime lead. The Vikings pressured Glendale's passing game in hopes of getting a quick transition game started. Maturity is a sign of champions and that is exactly what the Nitros showed in the second half. Power forward Bickett who was unstoppable throughout the game, picked up his fourth foul early in the third quarter. At that time, the Dynamiters joined together to cut Blair's lead to one going into the last eight minutes at 45-44.

Colin Swainston's play in the third quarter was one of the turning points. The 6-7 senior scored four key baskets, while his teammate Bickett sat on the bench with four fouls.

By the final quarter, starting guard Pete Jensen, Martin and Brugman were assessed their fourth personals. Posting up his man inside, Bickett ignited a Nitro surge with four three point plays and rebounds while shooting 9 for 9 from the floor.

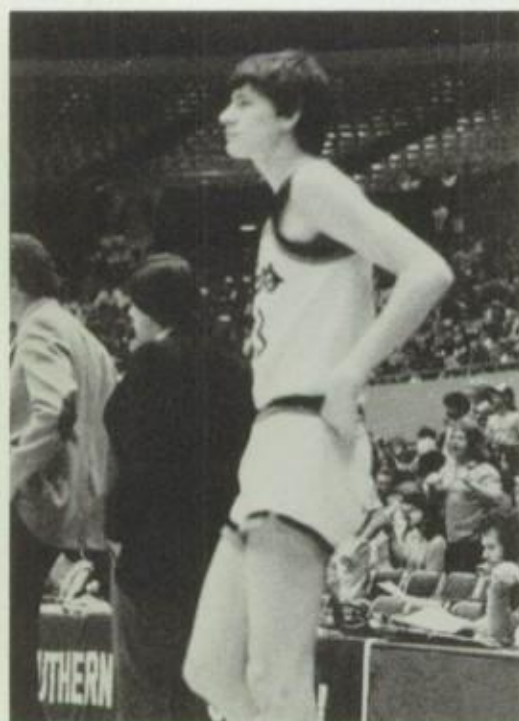

When Martin hit two free throws with 12 seconds left, the Glendale student body and community celebrated with anticipation. Adding to the excitement, Martin's first attempt danced around the rim softly before dropping in. Defeating Blair for the third time 60-59, Glendale had reached a goal that had started back in September. All the Saturday practices and summer league workouts were worth it; THEY HAD ATTAINED A DREAM OF A LIFETIME . . . Robert Gallagher and Chris Thomas extend their Congratulations to the team and the coaches.

Andy you're short, this ain't your sport

Bottom row: C. Haase, C. Keifer, L. Palmer, D. Rinder.

This year's Varsity Softball team was a much stronger team than their record indicates. With a team dominated by Jr.'s, they went 4-0 in pre-season play. Starting out the regular season on the wrong foot, they dropped the opening game to Burroughs and went through the rest of the season with inconsistency. By the end of the first half, their record was 2-3, winning against Blair and Monrovia, and loosing to Burbank and Hoover as well as Burroughs. The second half turned out to be a bit better, improving their record to 3-2, ending the season with a 5-5 record and earning a place in C.I.F. play as a 3rd place team. There seemed to be no one outstanding player as it was a team effort all the way.

J.V. had a disappointing season only winning 2 games all season, but capped the season off with an astounding win over Hoover by a score of 27-1!!! Both teams hope to fare much better next year.

This year's 1980-81 Glendale High sports teams proved their successful seasons. From basketball CIF champions to all sorts of Foothill League championships such as girl's varsity and Junior Varsity swim teams, Varsity and Sophomore football, girl's volleyball, boy's golf, and last but not least, our all-star soccer team. To all those who contributed to these achievements, we on the sports staff give our congratulations to the titles well deserved. Also to the coaches of the various teams.

Girls' League and GAA

GIRLS' LEAGUE

Girls' League was very active in Glendale High and the community during the second semester. Led by President Sue McGuire, the board members and other interested girls were involved with planning their annual Father/Daughter Dinner, snacks for athletic teams, convalescent home visits, Powder Puff football, and an Almost Anything Goes. An Easter candy sale and booth sales at the International Day and PNMA carnivals helped to raise funds for the \$250 scholarships presented to two deserving senior girls at the end of the year. From Top: Jill Thompson, Junior Rep.; Sonja Haynes, Past Pres.; Eva Gabor, Decorations; Linda Martin, Friendship; Susan McGuire, Pres.; Carol Passon, GAA Pres.; Ann Marston, Publicity; Miss Joy Uzell, Advisor; Ritu Sadana, Girls' State Rep; Sarah Morrison, Sec/ Treas.; Kathy Renteria, Soph. Rep.; Mary Pluth, School Service; Amy Herman, Program; Heather Taylor, Senior Rep.

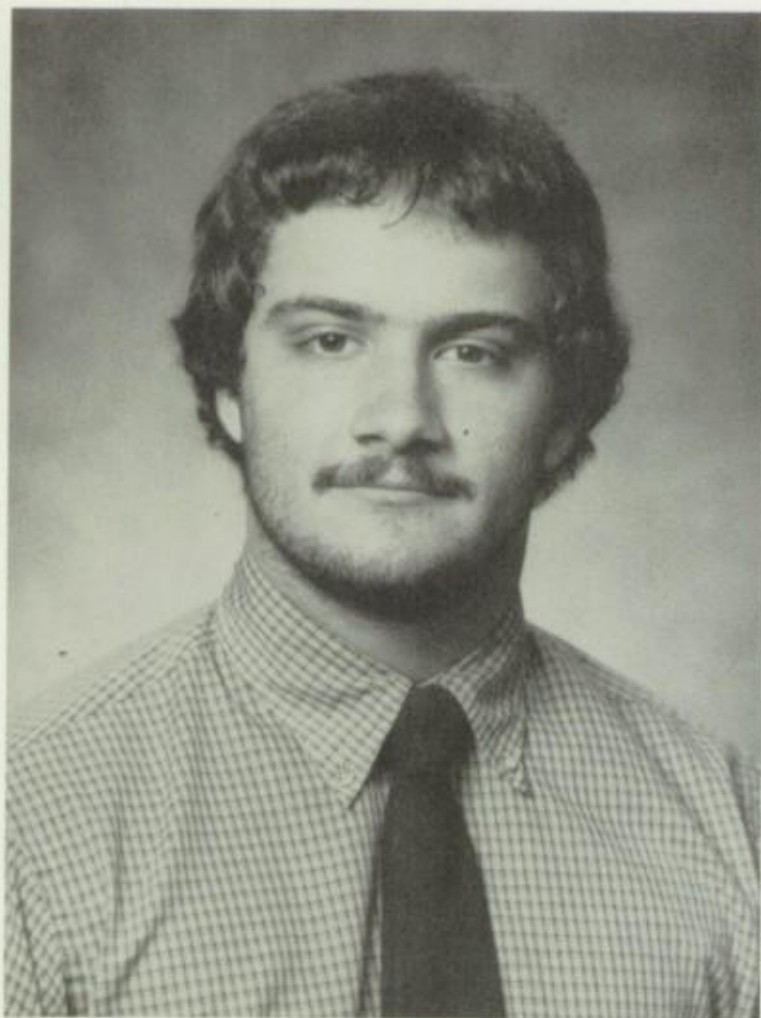

G.A.A. BOARD

The Glendale Athletic Association was designed to increase communication between teams and to improve the athletic program at Glendale High. Under the leadership of President Carol Passon, the GAA board met faithfully throughout the second semester discussing sports happenings and planning fundraisers. The GAA participated in the International Day and PNMA carnivals, selling their infamous "Fudge Brownie Delights," allowing the members of various teams to work together. The annual GAA banquet was held on May 28 at the Castaways Restaurant. The members of the Board as pictured were: Top Row: Stephanie Vallier, Track Representative; Carol Passon, President; Teri Mortimer, Past President; Bottom Row: Monica Beriz, Secretary; Lisa Palmer, Softball; Debbie Rinder, Basketball; Chris Haase, Vice President.

First off, I would like to explain that the reason that a few of the male Cabinet members are not clean shaven is because they are participating in a Student Body Beard-Growing Contest.

Second Semester Cabinet was an extremely efficient one. Besides conducting normal business with incredible efficiency, a major fundraiser was revised, with the help of Congress a major fundraiser was accomplished, and many successful activities and events were brought to light. To go into detail would fill volumes, but let it suffice to say that they were a hard working group of individuals.

Individuals they were; and different! Yet, the diversity of the Cabinet was no problem. They worked together extremely well. There were many outstanding efforts, and some really wonderful programs and committees. I would like to congratulate Andy Eddy on his Intermural League, Sue McGuire for a successful semester of Girl's League, Bob Lane on the Student Faculty Liaison Committee, and Paul Tenner for a truly active Congress.

There are many people who deserve thanks, but none more than Gail Long, our advisor. Thanks also to Congress for their interest and support. But most of all, to a really super Cabinet. For that, I allow you all a lifetime of personal business.

Thank you Glendale High School Student Body for allowing us the chance to serve and accomplish what we felt necessary.

Thomas R. Hammus
Student Body President

At the beginning of the semester, I had many goals as ASB Vice President. My main objective was to bring greater student involvement to GHS. My procedure to perform this goal was through Congress. I think that this semester's Congress has had a tremendous influence on the entire student body.

This semester's Congress Representatives have performed better than I ever anticipated. Each member gave up valuable time in order to serve GHS. These people go virtually unnoticed to the entire student body. For me, though, these representatives are extremely special. They have made my term as Vice President a very rewarding one, to say the least. I just can't say enough good things about these concerned individuals.

Congress met each Tuesday at snack. These frequent meetings provided members with a total awareness of what was happening at GHS. This awareness was in turn relayed to second period classes, bringing greater student involvement to GHS.

In conclusion, I would like to thank all the people who have given me support. First off is Mrs. Gail Long, the cabinet advisor. Her enthusiasm and guidance have helped make my term a very enjoyable one. Secondly, I would like to thank the second semester cabinet for their constant support of Congress. Finally, I would like to thank all the entire student body for giving me the chance of a lifetime. It has been a rewarding experience that I will never forget.

Paul Tenner
Student Body Vice-President

Photographs and Memories

Senior Prom Court: Sue McGuire, Linda Martin, Tessa Hull, Elisa Anhalt, and Linda Farrar.

Queen Tessa Hull smiles proudly.

Charlie's Angels, posing as prom dates, stake out the prom.

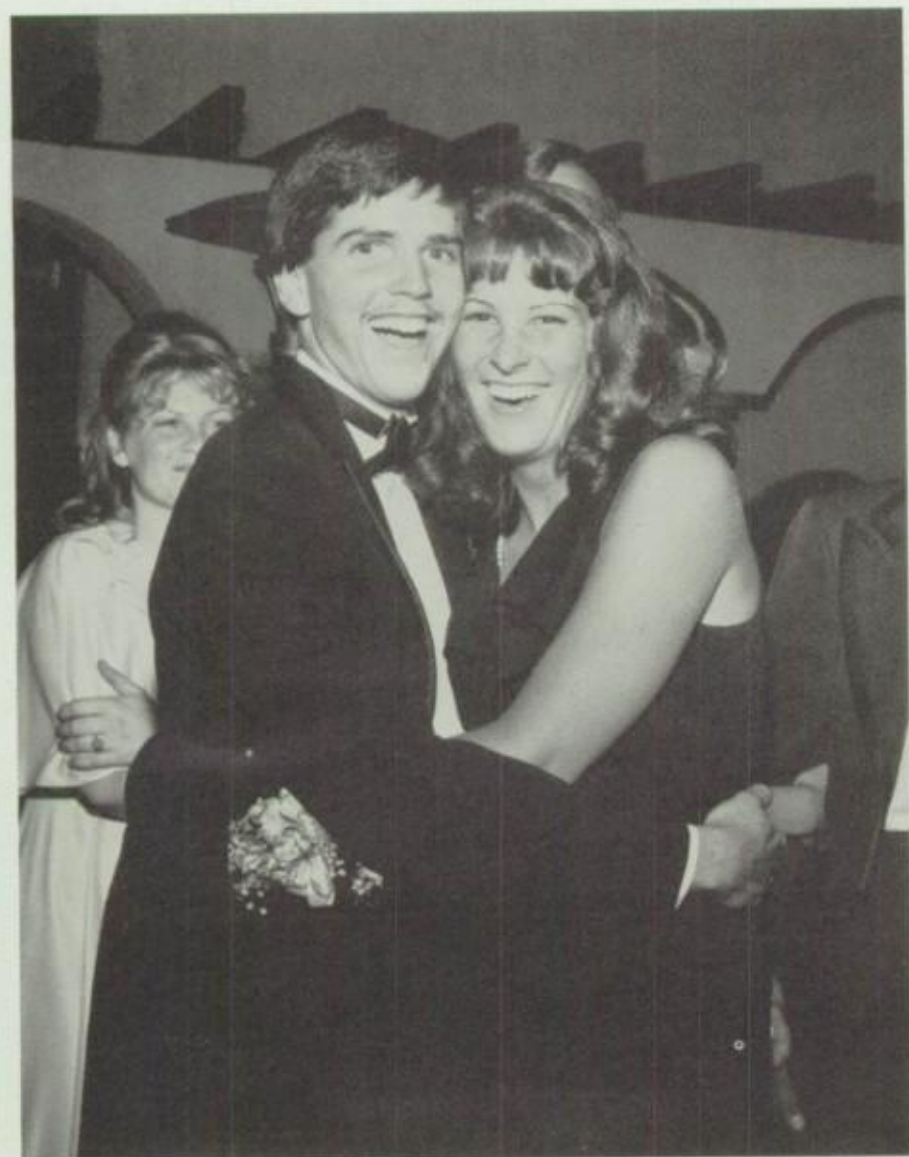

And you thought I couldn't get a good-looking date!

Senior Prom

Friday, May 1st, started as a normal day at Glendale High—minus many of the Seniors. Most called in sick and spent the day recovering at the various beaches participating in the first annual "Wiffle Ball Tourney," trying to catch that much needed tan, or basically getting ready for the big night—The Senior Prom. "Photographs and Memories" was this year's theme. An amazing number of couples—275—attended the big outdoor event that was held at the California Plaza Hotel in Buena Park. The Plaza Hotel was affiliated with the Six Flags Movieland Wax Museum. Admission to the museum was included in the price of the prom ticket. A delicious buffet was served from 8:30-11:00. The couples spent the evening enjoying the food, friends, and dancing. The crowded dance floor rocked to the beat supplied by the band "Kicks." At about 11:00, the Senior Prom court was introduced and the queen was crowned. The Senior class was represented by Elisa Anhalt, Linda Martin, Linda Farrar, Tessa Hull, and Sue McGuire. Tessa Hull was then crowned Queen. All agreed the evening was a success.

Friends made the prom very special.

Kevin shows a Hooverette just what a prom should be.

Come on Roger! That tickles!

It's Showtime, Folks

Just a little clowning around.

The Drill Team Revue was once again a highlight of Glendale High's productions. The theme this year was "It's Show Time Folks," which contained a variety of different routines and a slide show. Those included in the performance were: Drill Team, Songs, Flags, and Tall flags. They all showed enthusiasm and professionalism, which made the show very enjoyable to watch. All in all the Drill Team Revue had an exciting turnout due to many months of hard determined practicing by the girls and the encouraging attitude of the advisor, Miss Bayz. The show featured on May 7.

"It's Show Time Folks."

Double vision.

"Will that be all, Sir?"

The Head Captains are out of touch.

Dance doing deep knee bends.

Aloha with Pa

Again this year Girls' League sponsored their annual Dad-Daughter Banquet entitled "Aloha with Pa." This fun-filled evening started out with Sue McGuire and her Dad making toasts to the dads and daughters. Next, Sonja Haynes gave the benediction preceding an exotic Hawaiian dinner consisting of juicy teriyaki burgers, fruit salad, and icecream for dessert. The delicious luau was served by those Hawaiian locals including Tom Hammer, Andy Eddy, Mario Capozzoli, Mike Walton, Bruce Dunham, John Leinhard, Matt Howard, Joey McClure, Kevin Martin, Tom McMillan, Kevin Hanson, and Kenny Hart. After dinner, the rest of the night was filled with Hula lessons taught by a professional Hula dancer, games, and a Dad-Daughter look-alike contest. We would like to wish a special thanks to Miss Uzzell for her extraordinary guidance.

I, Dancer

Dance Company excels in their performance of "Gallaxies Unparalleled."

Leslie Smythe flows with grace in, "Go Fly A Kite."

Sophomores show a burst of energy in "Lectro."

This year's Dance recital, "I, Dancer," was held in the auditorium on April 24 at 7:30 p.m. Students from the Beginning, Intermediate, and Advanced Modern Dance classes performed a variety of dances under the supervision of Miss Jo Ness and Student Director Lisa McKiernan. Dance company performers were: Pascale Brunier, Colleen Boyne, Michelle Brunner, Kevin Coghurn, Amy Herman, Cindy Hicks, Brenda Marchak, Lisa McKiernan, Sunny Schrader, Kelli Simpson, Leslie Smythe, and Sabrina Thai. A few of the highlights of the evening were "Psyche," choreographed by Brenda Rodriguez, "Go Fly A Kite," by Leslie Smythe, and the finale, "Gallaxies Unparalleled," choreographed by Jo Ness and Dance Co. members.

Sabrina and Colleen imitate Flamingos.

Almost Anything Goes

ALMOST ANYTHING GOES

a new and exciting event was held, Almost Anything Goes. It was a night full of hilarious and bizarre games. Each team consisted of 10 girls and 10 guys from each class. To add spirit competition to the show, cheerleaders were chosen from each class. Everyone who participated had a fantastic time, especially the Senior Class the overall winners of the night. Congratulations to the 2nd semester Girls' League Board for introducing a new activity to GHS which will hopefully be around in future years.

POWDERPUFF FOOTBALL

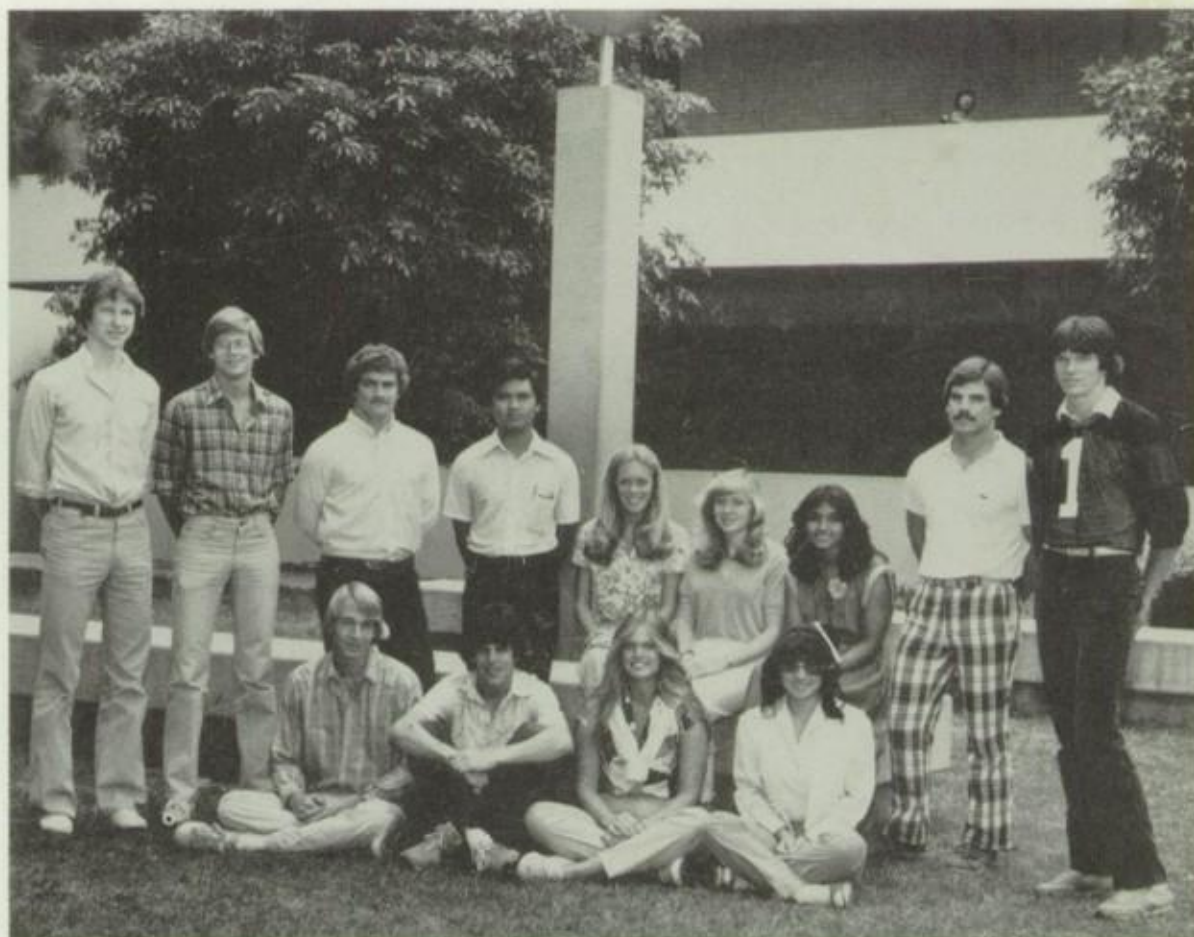

The powderpuff football finals were held the same night under the lights at Moyse Field. The Seniors played the Sophomores in this bloodthirsty game which transforms the average Glendale girl into a ruff, tuff and burly? football player. Congratulations to the victorious Senior class.

What ever you ~~do~~ don't forget to whip it whip
it good. you're a really cool person. I'm really glad
we became friends. We had some great times at
the football games, sneaking, parades. cheering Goon Parties
being mean to everybody yelling out things to
whoever, wherever and when ever. I hope we
can stay friend hope you get Drum Major
because we need somebody like you to do
it. if you don't make it its no big! Keep in
touch during the summer and ~~will~~ will
get together go to the beach or something.
we'll take care. Happiness always

Love,
